The door is always

The unlocked door, symbolic of man's chance to reach the apex of success, is the theme of the Hughes Annual for the year of 1955.

There are two catches on this unlocked door. First, it must be opened; and second it, must be passed through. High school is a door; it can open into a world of sadness and failure or a world of happiness and achievement.

In this door that represents high school, there are many other doors which can be used as stepping stones in preparing for the future. Whether these doors are opened and used is the decision of each individual person.

Scholarship can light the hallway to the door of success in many fields where the brain is a necessary and unreplaceable item. Activities can make the footing solid for those who plan to work with the public. Athletics can make the body strong enough to carry contestants through the grueling passage into professional sports.

But there are many other doors which can be opened and must be opened if one is to be a well-rounded person. He must pass through the door of love, by far the most important. Love is the highest human emotion; and, without it, life is fruitless. Religion is another gateway which is part of the great door that is high school. Responsibility is a third compartment of this massive structure.

But part of this door is made of glass. Thus we can come up to the door and look through without actually opening it. We therefore neglect the green pastures on the inside and fall short of supreme success. But by opening this portal and passing through, we open the way to limitless possibilities.

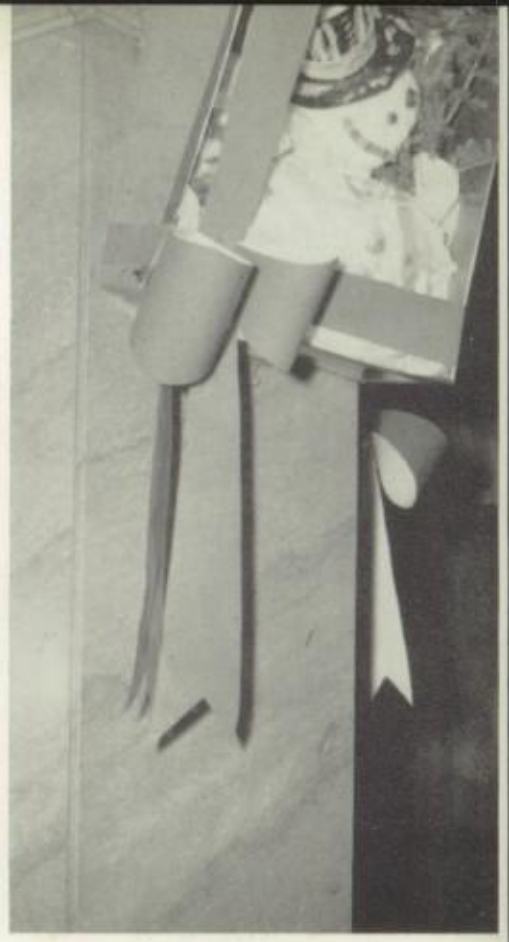
All Art Doors Are Unlocked to Any Hughes Student with Ability and the Desire To Create the Beautiful



James Turly and Barbara Evans show their skill in arts and crafts

Students admire originality of design in water-color posters

The spirit of Christmas enters the heart of Joy Kukelhan

Santa Claus reminds Karla Frech and Neal Tidwell of the Yuletide tradition

The aim of the Hughes art department is to help students better understand and appreciate fine art and to be creative themselves. The art department faculty consists of four very capable teachers, Mr. John Michael, Miss Marcella Schroth, Miss Frances Adomeit, and Mr. Paul Craft. Mr. Craft, who began teaching at Hughes this year, is a well-known Cincinnati water-color artist. His fine works have been exhibited locally numerous times. Each Christmas the art department combines to decorate the building. Featured this year were three-dimensional letters wishing the school a "Merry Christmas" and a huge papier-mache Santa Claus, which was constructed by two art students. The lovely stage decorations can be credited to Miss Marcella Schroth who is also in charge of designing the sets for such Hughes productions as the Merry-Go-Round and the two plays. The programs and posters for these productions are a job well-done by Mr. Michael who is also in charge of the permanent art exhibition opposite the library. The entire art faculty cooperates in the selection of works of merit to be entered in the annual Scholastic exhibition which is held each year at Shillito's.

Opening night finds the cast of "The Curious Savage" taking repeated curtain calls

As the curtain went up on "The Curious Savage", the door to drama at Hughes High School was opened. Following tradition, two fine plays, the first being "The Curious Savage", and the second, "Our Hearts Were Young and Gay", were presented to Hughes faculty and students in the auditorium. Under the direction of Miss Mary Elizabeth Pollard, who has had the job of producing Hughes dramatic offerings for the past five years, "The Curious Savage" was unveiled. This three-act comedy by John Patrick provided hilarious entertainment for the audience in the two performances which were given in December. It has been the custom to present a Thursday afternoon performance which enables students to see the performance which they otherwise might be forced to miss. The final show takes place on a Friday night and is quite a social as well as cultural event. The actors find it necessary to devote most of the free time to perfecting their parts. Students remain after school almost until supper time learning and practicing their roles until the play is as perfect as possible. Then the big moment arrives as the house lights dim and the audience grows quiet. Then, the show is on.

Sages provides an outlet for the talents and energies of all aspiring actors and actresses as well as designers, producers, and directors. The majority of the actors in both comedies are members of Sages. Active members of Sages find the meetings are occasions when they can exercise their talents and skills in self-expression. Each member gains points through actual acting experiences and when the required points are attained he is invited to join Thespians. Thespians is a national organization for people of actual acting experience. This year there are nine students who have earned this honor.

Scene from "Our Hearts Were Young and Gay"

The final play was a production based on Emily Kimbrough's and Cornelia Otis Skinner's delightful book, "Our Hearts Were Young and Gay." Hughes audiences were entertained by two performances of this production, the first of which was a matinee and the second a Friday night show. These performances took place in Hughes auditorium on March 3 and 4. For this play students also auditioned before Miss Pollard who chose those best suited for each part. After auditions, six weeks of strenuous rehearsals begin in which actors and actresses are expected to learn completely their parts and be ready for the performances. After the play each and every actor and actress feels a glow of satisfaction at a job well-done. All participants in these ventures are to be highly commended for their energetic efforts to make each play a success.

In front of the switchboard are: Kneeling: Jim Thomas, Jim Tarter, Roy Hackemeyer, Horace Novak, Dave Cory. Standing: Bill Bennet, John Juhlman, Jerry Stivers, Murray Peterson.

It takes many different groups to insure a first-rate production. The ticket committee, the make-up committee, the property committee, the costume committee, the stage crew, and those who design and construct the sets have an important part in each play. The stage crew under the guidance of Mr. Robert Portune played their usual important role in the smooth performances. Busily at work during the year on all school assemblies and the plays, the crew sets lights, perfects sound, and handles the scenery necessary for all productions. The audience had Miss Elizabeth Zorn to thank for the costumes and Miss Marcella Schroth to thank for the splendid back-drops. Mr. John Michael was in charge of posters advertising the plays and Miss Ann Rasche in charge of ticket sales.

This year marked the sixth performance in the history of the Hughes *Merry-Go-Round*. For five of these six years the script has been written by gifted Hughes graduate and teacher, Mr. Robert Portune. Besides writing *Merry-Go-Round* scripts Mr. Portune has contributed his literary talents to several University of Cincinnati presentations, among these *Scamp of the Campus, Khaki Wacky,* and *Quiet Please*. This year he also provided the script for the Walnut Hills High School production, the *Walnuts*. The rewriting of *Red Mill* for the Evansville Opera Company may also be credited to Mr. Portune.

This year's *Merry-Go-Round* was set in the Sunset Valley Hotel which is presided over by Mr. and Mrs. Humphrey Higgins, portrayed by Tom Minnich and Martha Runck. Norma May as Gracie, a snake-loving scullery maid, "brought the house down" by merely appearing on stage. The sarcasm of Winnie, Beverly Bates in everyday life, and the antics of Peg Pounds, who played the part of the stage-struck Southern belle, Dixie, were high points in the *Merry-Go-Round*.

The *Merry-Go-Round* boasted three separate chorus lines, all of which were directed by Miss Virginia Garrett. The short and tall pony choruses and the tap chorus interrupted the action often enough to provide even more pleasure for the audience.

Other characters in the *Merry-Go-Round* included Sandra Wulff and Jim Dietz as the two beautiful but obnoxiously conceited specimens of the human race, Shelley Summers and Apollo Casanova. Dick Junker in the part of Sour-dough Johnny, an ancient uranium prospector, and Ed Crawford as the rabbit-like Dr. Ellsworth Pennywhistle further enhanced the riotously funny plot.

Students taking part in the *Merry-Go-Round* gave their time after school almost every day for two months in order to perfect their roles. Rehearsals in the morning before school often made it necessary for the actors and actresses to be at school at seven-thirty.

Bert Bramkamp in the role of the wealthy Mrs. Smedley O. Smedley, Frank Hermann as Smedley's German Director Van Schlacter, and Bill Thompson as the precacious juvenile delinquent, Courtney, did their parts to bring the counter-plots and plots together for a happy ending.

Mr. Herman Slayman's delightful musical arrangements and the orchestra under his direction provided a fitting musical background for "Shoot the Works". The intricate backdrops were designed and executed under the direction of Miss Marcella Schroth.

Sonya and Charmaine discuss their routines with dancers.

The short pony gals await their debut.

For several years one of the aims of the Band was to raise enough money for new uniforms. Efforts to earn money were made through the Band Queen contest and the Carnival. The aim was finally realized when Fechheimers, a nationally known concern, was commissioned to outfit the entire Band. A photograph of the Band in full regalia was used on Fechheimer's advertising catalog, which is distributed throughout the country.

Another addition was a chorus of 40 girls known as the Rhythmettes. The Rhythmettes appeared at three football games using a musical theme, a Western theme, and adding even more glitter to the crowning of the Band Queen.

You're a swell Spanish pupil and terrific girl. Made of everything in your senior year.

This year marked the arrival of a new Senior Choir and Ensemble director, Mr. Bige Hammons. Mr. Hammons, among whose experiences are the directing of the Shawnee Choral Society and a summer at the Evansville Mesker Civic Opera where he sang in several roles, came to Hughes from Oklahoma Baptist University where he directed the Girls' Glee Club and the Chapel Choir, and taught voice. Mr. Hammons holds a Bachelor of Music Degree from the Cincinnati Conservatory of Music and a Master's Degree from the University of Oklahoma.

Included in the Senior Choir schedule for this year were appearances at several assemblies, notably at Thanksgiving, Christmas, Easter, and at Pep assemblies. At Pep assemblies Senior Choir led the school in singing the Alma Mater and again as in the past the entire group joined Pep Club. Choir members also exhibited their talents at such Hughes traditions as the Christmas Concert, the Spring Concert, and Commencement Exercises. They also participated in the Christmas Concert with the Cincinnati Symphony Orchestra.

Ensemble had an especially successful year including in its appearances two Christmas television performances, a W.K.R.C.-T.V. Automobile Club Show, and a W.C.E.T. program. Ensemble made other appearances, among these participation in a Mount Healthy Church program, the Spring Concert, and the Merry-Go-Round.

Juniors reveal many specialties

For the third year in succession the Junior High School has presented a talent show for the enjoyment of the student body. From 143 students who auditioned, 17 acts involving 98 students were chosen. Rehearsals resulted in three shows, a double assembly for Hughes students and a separate show for the Hughes Parent Association. The Talent show, besides bringing the Junior and Senior High Schools closer together, helps develop self-reliance and dependability, and provides healthy competition.

Financial problems rest with the business staff and their advisers

This year's annual staff, under the direction of Miss Hazel L. Koppenhoefer, met early in the year to choose a theme. After "The Unlocked Door" was decided upon, the adviser, the editors, and a representative of the printing company spent a weekend of work and pleasure to plan the lay-out. From this point the whole staff joined together to organize their ideas for an annual they would be proud of years from now.

Every sixth bell the editorial staff met in Room 206 to select pictures, type articles, take photographs, and laugh at the little mistakes, such as the time a homeroom picture was taken and it was discovered one of the boys didn't have his shoes on.

From September until the last deadline was met, the annual room buzzed in secrecy. All staffers know the importance of keeping the annual theme a secret and their ultimate goal is reached when in June the annuals are distributed and the secret is revealed; until then each person is the center of constant questionings.

The business staff, which is made up of two business managers, plays an important part in putting out the annual. With the help of Mr. Clyde A. Hall, they succeed in selling advertisements, scheduling senior class pictures, collecting the seniors' dollars, selling home room pictures, and handling patron ads. Much credit is due to the members of the staff who devote their time to making "The Unlocked Door" as close to perfection as possible.

Research from books of years gone by adds to the betterment of the annual.

The athletic teams at Hughes are not the only ones who bring home honors. Students have a right to be proud of their weekly newspaper, the *Gargoyle*, a paper that's proud of meeting its deadline. For the past two years the *Gargoyle* has received the top ranking as Medalist Class in the Scholastic Press Association of Columbia University contest. The Columbia Medalist award is presented to those papers whose overall makeup and publication procedure rank them as an outstanding student activity. The *Gargoyle* was awarded Medalist, a top award in a class of 1400 other student publications. For the first time in 30 years the *Gargoyle* received the exclusive All-Columbian award for creative writing.

Reporters from the *Gargoyle* have been hired as correspondents for "Dateline," a teenage column in *Good Housekeeping*, for which they received a regular correspondent's salary.

Seventeen magazine honored the *Gargoyle* by publishing a full-length article, complete with pictures of staff members. This article was featured in "It's All Yours," a section of the magazine dedicated to the creative talents of young people. The prize-winning *Gargoyle* is under the direction of Miss Hazel L. Koppenhoefer, staff adviser, and Miss Gladys J. Kloak, financial adviser.

There is more to publishing a paper than most students realize. Gathering facts and writing articles are just initial steps. The pages must be laid out exactly as they are to be printed, with copy measured and headlines written to a specific count. Chief responsibility lies with the editors, who must exhibit patience and skill.

The staff includes editorial, business, and circulation members. Margie Kenter, Business Manager, has done remarkable service in soliciting advertisements and keeping accounts. Each home room has a representative who distributes the paper.

Each Tuesday, the papers are counted by volunteers, directed by Roberta Wagner, after Mel Wolf brings them from the printer's. Joy Cole, Juanita Collins, Bill O'Keefe, Barb Patton, Harriet Perkins, Jim Phelps, Beatrice Shepherd, Carol Tsaras, and Albert Penner, supervised by Miss Kloak, distribute the papers on Wednesday morning from the alcove.

Typists, photographers, senior advisers, statistic gatherers, and a host of other workers all have a part. Here should be mentioned Elaine Baker, Marlene Tice, Wanda and Pat Clark, Carol Kraft, Lee Davis, Jack Farrell, Stephan Menyhert, Rod Beets, Judy Deiters, Karla Frech, and Janet Prior.

It seems that the *Gargoyle* staff is capable of meeting all emergencies with the aid of its friends. Near the end of the year, to bolster its income, the staff held a bake sale, a paper collection, and a sales tax stamp drive. Special praise goes to the seventh-graders who brought mountains of cakes and cookies to earn more than forty dollars for the paper.

Time and ingenuity are combined to make the Gargoyle a record of the school's life.

Journalism students learn all technicalities of producing newspapers.

to SENIOR HIGH

Senior's Year of Achievement Is Goal for Underclasses

High scholastic averages of this year's senior class are enough to make it outstanding. Phenomenally, too, the first seven places on the Honor List went to boys.

With Ron Wolf serving as President, the Class of 1955 enjoyed a year filled with parties, programs, and plans for the future. As 1956 drew near, the seniors made their way to college campuses or the business world.

Kathy Cook was elected Secretary, and Treasurer Jerry Freeman attempted to wangle senior dues from each member of the class. With Mr. Elmer W. Kizer, Miss Aria Parke Schawe, and Mr. Paul Bowers ready with helpful advice, the members of the Senior Planning Committee arranged Tuesday morning speakers and movies.

Making money to increase the treasury was the task of the Ways and Means Committee, who organized a greeting card sale, from which the class was able to make some profit. A bake sale was also planned, in which each senior girl invaded her kitchen and whipped up a batch of cookies.

The Senior Christmas Party, complete with a jolly Santa Claus, Judy Deiters, gave the seniors a chance to become better acquainted. Talented dancers and singers planned a floor show for their classmates. As alumni, faculty, and students mingled together, the spirit of Christmas filled every heart.

The year hurried by. As warm weather approached, spring training began in Homerooms 112 and 205. The occasion was the annual baseball game, which constituted a friendly rivalry between the two rooms.

Annuals were passed out and signed. A Prom Queen was crowned to the music of Buddy Rogers' Band. As the strains of Pomp and Circumstance drifted to their ears, 372 graduates began the short walk to the stage to receive their diplomas,—a very short walk after four hard but happy years.

Smiling class officers were Jerry Freeman, Treasurer; Kathy Cook, Secretary; and Ron Wolf, President.

Dedicated to the Memory of . . .

Georgia Tyner Kizer

a Gracious Friend, Loving Mother, and Gentle Wife

Music, religion, and love for her family glorified the life of Georgia Tyner Kizer. Her warm, generous nature embraced the teachers and students of her husband's school within her home circle. With her death comes an overwhelming sense of loss which no one can put into adequate words.

Mrs. Kizer served God with her beautiful voice from her youth, as a gospel singer, choir member, and church music director. She used her great talent for warm human relationships in behalf of organizations in the Old Central, Evanston, and Walnut Hills Christian Churches, and in the various branches of the Disciples of Christ.

Her family found her loving kindness and wisdom their source of strength. To Mr. Kizer, son Jim, and young Jim, and to Mrs. Kizer's sisters in their loss, Hughes offers sympathy based in full understanding, for all who knew her loved Mrs. Kizer as a cherished friend.

There is this comfort when death inevitably comes. The presence of a great spirit does not pass. The people and the institutions touched by the magnanimity of a wise and good person keep within them the memory of her influence and are better therefor.

He Is Keeper of the Keys Of the Doors to Character

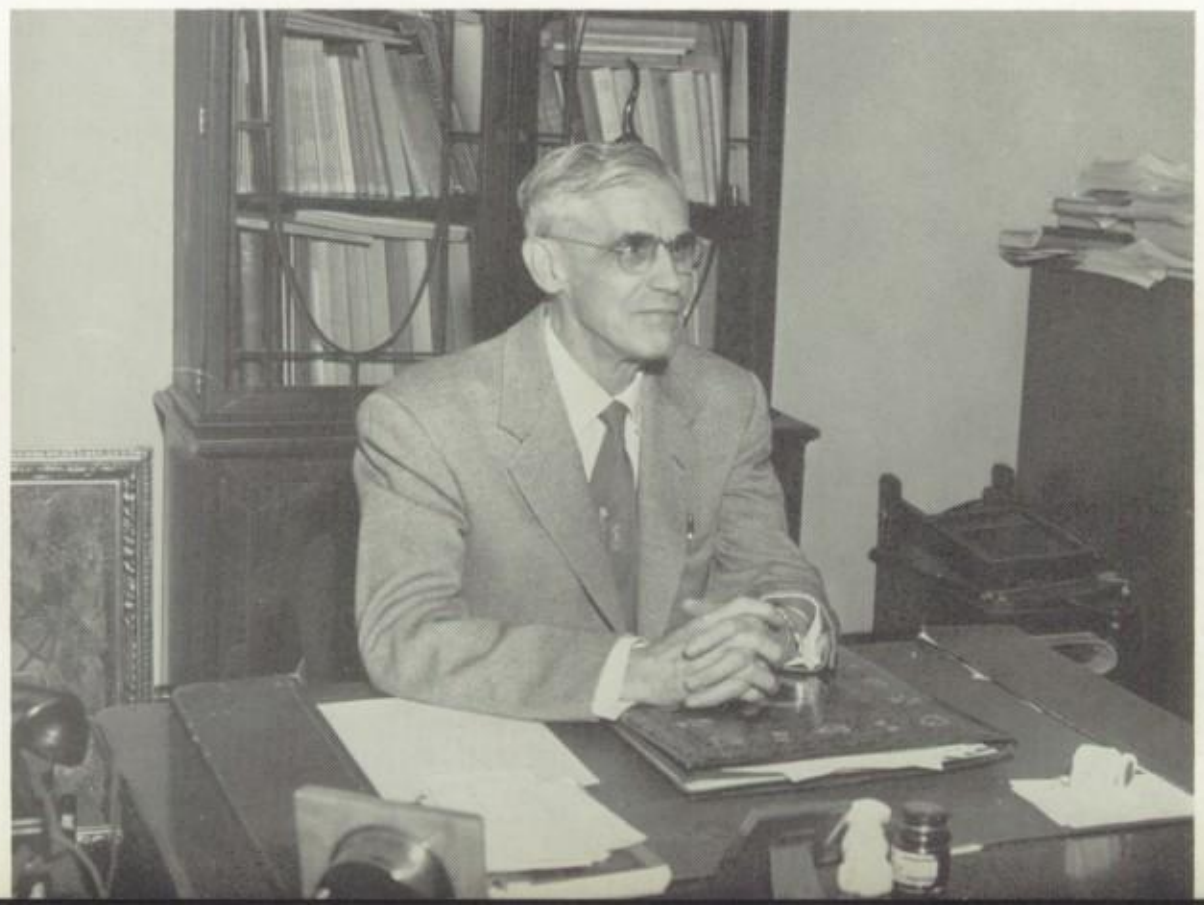
You are about to pass through an Open Door into a building not made with hands, the architect and maker of which has planned for you a mansion of many rooms.

You will be led through a door over which has been inscribed the word FAITH. It is here you come face to face with life's realities; it is here your belief in God is tested; it is here you realize the value of the guidance of your parents; it is here the confidence in your own ability to succeed is most vital.

Our journey now leads you through another door over which, in bright letters, is inscribed the word HOPE. Here you as youth have dreamed dreams and have seen visions. Your ambitions to succeed seem assured. You faint not because the room seems filled with promise.

But wait, another door appears as you travel on. The inscription here is LOVE. The room is filled with the proof of God's greatest gift to man. Without love we are nothing. You are satisfied in this room, because you know God's in his heaven, all's right with the world.

Of course there are other rooms in this house as you travel down the corridor of time. Disappointment, sorrow, heartache are realities, too, but they should give you strength to carry on if you have faith, hope, and love.



Mr. Elmer W. Kizer
Principal of Hughes

Ben F. Fulks

Assistant Principal

Mr. Ben F. Fulks, assistant principal, is one of the mainstays of the Open Door at Hughes. Mr. Fulks takes an active part in school activities and as any Hughes Club member can tell you, is an enthusiastic sponsor of this prominent organization. He also selects the students who become cashiers in our three lunchrooms. One of our most staunch rooters, Mr. Fulks attends many of the Big Red athletic events. Among his routine duties Mr. Fulks supervises the Book Shop and Book Room, controls the keys to all rooms in the building, takes care of excuses, combination locks, and disciplines rowdy boys.

They Help Guide the Students' Ways

Miss Margaret E. Hall has ably followed in the footsteps of Mrs. Edna E. LeRoy, who has had a leave of absence due to an illness. Working with the senior high girls constitutes the major portion of a typical day at Hughes for Miss Hall.

Personal, educational, and vocational counselling are as important to any girl as the Three R's and Miss Hall is an excellent instructor in these fields. Girls who cannot decide upon what college to attend or who wish to apply for scholarships, grants, or loans find Miss Hall ready to help them.

Other duties which keep her busy include work certificates, attendance, and the disciplining of girls.

MRS. ALICE RAIBLE
Dietitian

With the watchful eye of Mrs. Alice Raible, manager of the Hughes lunchrooms since 1947, upon them, 2600 hungry students and a faculty of 98 find themselves tempted with a variety of hot or cold lunches. A graduate of Hughes, Mrs. Raible is well acquainted with the many problems of feeding the "starving students" with regard to making it easy on their pocketbooks.

The student body looks forward to nourishing dishes tasting "just like my Mom's." Clean equipment and a cheerful atmosphere help to make the lunchroom one of the most enjoyable spots in the student's program. Much credit should also be given to the capable members of Mrs. Raible's staff.

Many of the students from Hughes go on to Business school or take jobs in an office after graduation. Preparation for these careers is obtained from various courses such as Typing, Shorthand, Secretarial Practice, General Business, Merchandising, and Salesmanship. Beta Chi, the newly organized Hughes Business Club is open to any student taking one of the courses. Many Hughes graduates have entered the business world immediately after high school and are making names for themselves. Students also find typing a great help in college where much of their homework is required to be typed.

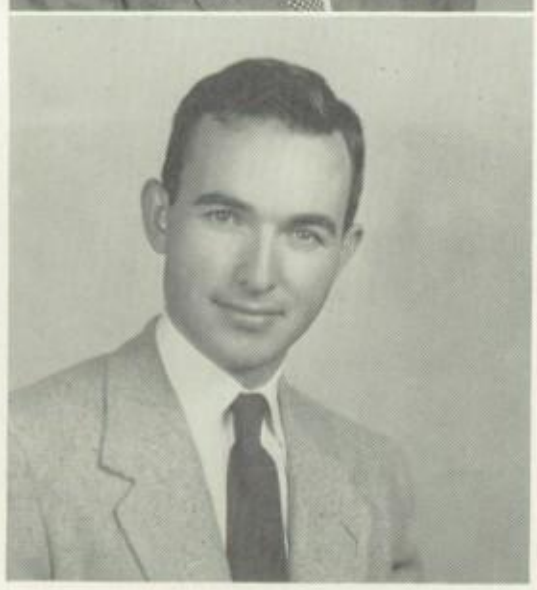
HERMAN SLAYMAN



Mr. Hammons directs the Junior Choir

Hughes has become famous for its music department, which combines the vocal and instrumental talent of the school. The Senior Choir and Ensemble have performed at many assemblies as well as outside affairs such as conventions, symphonies and concerts. Junior Choirs are open to the pupils of the lower grades who are interested in a vocal career or who just enjoy harmonizing. Mr. Bige Hammonds and Mr. Milton Anderson have charge of this active department.

In the instrumental field the Big Red Marching Band and Orchestra, along with the newly formed Dance Band, under the direction of Mr. Herman H. Slayman, form the nucleus of the halftime programs at football games, concerts, and musical productions as well as providing entertainment at dances.

Each year the Hughes Bands send representatives to the musical competition at Oxford, Ohio. Students have returned with numerous honors, increasing the distinction associated with this department.

The classes of Industrial Arts provide frames for fitting many doors to the right walls. Teen-Age Motorists Learn Road Rules and Regulations

Rules of the road are the Fourth R for the pupils of Mr. Robert Meier and Mr. Morgan Jones. A student takes Driver's Education in his sophomore year to become acquainted with the various traffic regulations and the mechanisms required to operate a car. Reaction and visual accuracy tests are given to each student to see in advance how well his mind and body will co-ordinate.

In the junior and senior year students put this knowledge to work as they participate in "behind the wheel" training. Hand signals, shifting, and parking form the "homework" for the drivers of tomorrow.

Contact with foreign countries is made possible through Foreign Language courses. French, Spanish, German, and Latin students learn to speak the tongue of the country they are most interested in. Clubs for each language meet monthly and various speakers are engaged to entertain, as well as to inform, the group. Hughes' motto "Deo et Patriae," is from Latin, so all students learn at least one phrase of a foreign language.

Books are Keys for the Mind

In 1924, John Dempsey, President of the Hughes' Alumnai Association, appointed a committee to devise a suitable memorial for Clara B. Jordan, a former Hughes Latin teacher. Charles M. Merry, principal at the time, received the committee's report, which designated the decorating of a library with a beautiful central window. This main window, which is the focal point of the library, was created at a cost of $7,000. In 1930, the other windows were added at a cost of $2,500. Other teachers memorialized in the windows in the library are Mary B. Furness, Alan Sanders, George Baumann, and Arthur E. Breece.

Better and healthier living, preparation for a higher education, and the ability for keener thinking are but a few of the doors opened by the course of Science. Hughes students are given a wide selection of courses including zoology, biology, botany, physiology, general science, chemistry, and physics. To a student who accepts a challenge, the key is found in the laboratory. Working in the greenhouse, the botany classes get on-the-job training as they raise flowers for sale in the spring. A capable faculty and well-equipped departments provide the groundwork for future scientists. With science playing a major part in the world affairs, capable minds will find a vast array of doors waiting to be opened when they graduate.

Undisputed football champs of the P.H.S.L., Hughes reigns over the city for the second successive year. Six victories and no defeats, climaxed by a 31-12 shellacking of Withrow, gave Hughes a well-deserved trophy.

A total record of nine victories and only one loss was tabulated by the 1954-55 Big Red Squad. The only loss came at the hands of an upset-minded Xavier team to the tune of 7-0.

Hughes, which used to be perennial champs under Red Krueck, is once again becoming a football power. Since Coaches Howard Thomas and Ray Hartker came to Hughes in 1951, each year has brought more glory to the alma mater.

Their four-year record of 27 victories, 11 losses, and one tie in 39 games speaks for itself. Only one loss in Public High School League football in the last two years has made Hughes a feared opponent.

A top-notch defense and a better-than-average offense gave Hughes the best-balanced squad in the city this year. The Hughes' defense permitted only 39 points in 10 contests, less than four per game, while the offense amassed a total of 186 points.

The 1954 P.H.S.L. Champions, coached by Howard Thomas and Ray Hartker, compiled a nine won, one lost record.

The bewitching bevy of beautiful girls leading the band at all football games are the fabulous Hughes' corps of majorettes. Six of these lovelies spell out H U G H E S, while two others flank each side. A drum major, who is also a majorette, leads the marching.

Mr. Herman H. Slayman, Band Director, with Mrs. Mary Lou Koehl, dancing instructor, chooses the majorettes. The girls rate high in grades, ability, and rhythm.

Pass interceptions set up two of the three touchdowns Hughes made in powering to a 19-0 victory over the Tigers of Ironton, Ohio.

Crumrine scored after two interceptions, one by Stuber and one by Russell, to give Hughes a 13-0 lead at halftime. Huber made the final T. D. on a 50-yard off-tackle slant.

Charles Tharp, 220-pound lineman, intercepted a pass and galloped 80 yards before he was brought down just short of paydirt.

Scoring only in the first and second periods, and then clinging tightly to their advantage, the Big Reds downed Dayton Fairview, 12-0.

Spectacular runs of 49 yards and 81 yards by Ray Bell and Harry Huber respectively started what seemed to be a slaughter, but the Dayton defense buckled down and held the Huzites scoreless during the second half.

Public High Conquest

On the first play from scrimmage in the second half, Chuck Crumrine, Co-Captain, took the ball and raced unmolested to score the third and final Hughes touchdown. Two previous T.D.'s scored by Harry Huber, Co-Captain, in the first half gave Hughes the crutch it needed to win the game.

This victory was very dear to Hughes, because it was only the second time in local history that a Big Red squad sent a Bacon team down to defeat. The first time came last year when Stockhoff and company edged them, 20-18.

A touchdown pass in the final stanza sent an uninspired Hughes team its first defeat of the season. The loss came at the hands of St. Xavier, giant killers, by a 7-0 count.

The ironic thing about that TD was that it was the first scored against the Hughes defensive unit in 2¾ games. A seesaw battle, in which Hughes had opportunity after opportunity to score, provided the interest during the first three quarters.

The big TD came with about seven minutes left; and as the final gun sounded, Hughes was only yards from the tying touchdown.

Ready for second half

Keeping up the spirit of the students and teams at the school as well as the stadium and fieldhouse is the fulltime job of eight energetic students who never seem to run out of pep. Four boys and four girls make up the crimson-and-white-clad squad who appear at all the games and pep assemblies.

Tryouts are held in the spring; and four juniors are chosen for their ability, attendance at school, and grades as well as for their school citizenship.

A variety of Pep assemblies was presented this year with the show preceding the Withrow football game proving to be one of the best. A ferocious tiger charged down the aisles of the auditorium and, much to the delight of the cheering student body, was hung from the stage curtains by the football team.

Selling football tags was the main project of the squad, which included: Diane Drohan, Captain; Cilla Chase, Mary Eiselein, Nancy Burton, Neil Austing, Jim Dietz, John Bronaugh, and Dick Junker. Mr. Milton Anderson is the sponsor.

Six P. H. S. L. Powers Fall

History was made in this game! It was the first time that a Hughes football team played a New Woodward squad.

After a scoreless first quarter, the Bulldogs took over and marched 25 yards to the touchdown. Later in the second period, Hughes covered 55 yards for the T.D., with Huber scoring on a 28-yard run.

The final six-pointer came in the third quarter when Crumrine raced 44 yards off tackle. Final score: Hughes 13, New Woodward Bulldogs 6.

With Crumrine and Huber, the touchdown twins, leading the way, Hughes powered to a 13 to 0 win over Western Hills. The scores, which came in the second and third periods, gave Hughes its second straight P.H.S.L. victory.

The first came on an 86-yard march with Huber going the final 26 for the T.D. The second came in the third as Crumrine blasted over from three yards out.

Hughes Reserve, coached by Lloyd Williams, won P.H.S.L. Championship and went undefeated.

Before "Big Red" Onslaught

Pushing a touchdown across in each of the four periods, Hughes pounded out a methodical 27-to-14 triumph over Central. Each member of the Big Red backfield tallied once as Hughes avenged a 15-to-6 setback suffered at the hands of Central in '53.

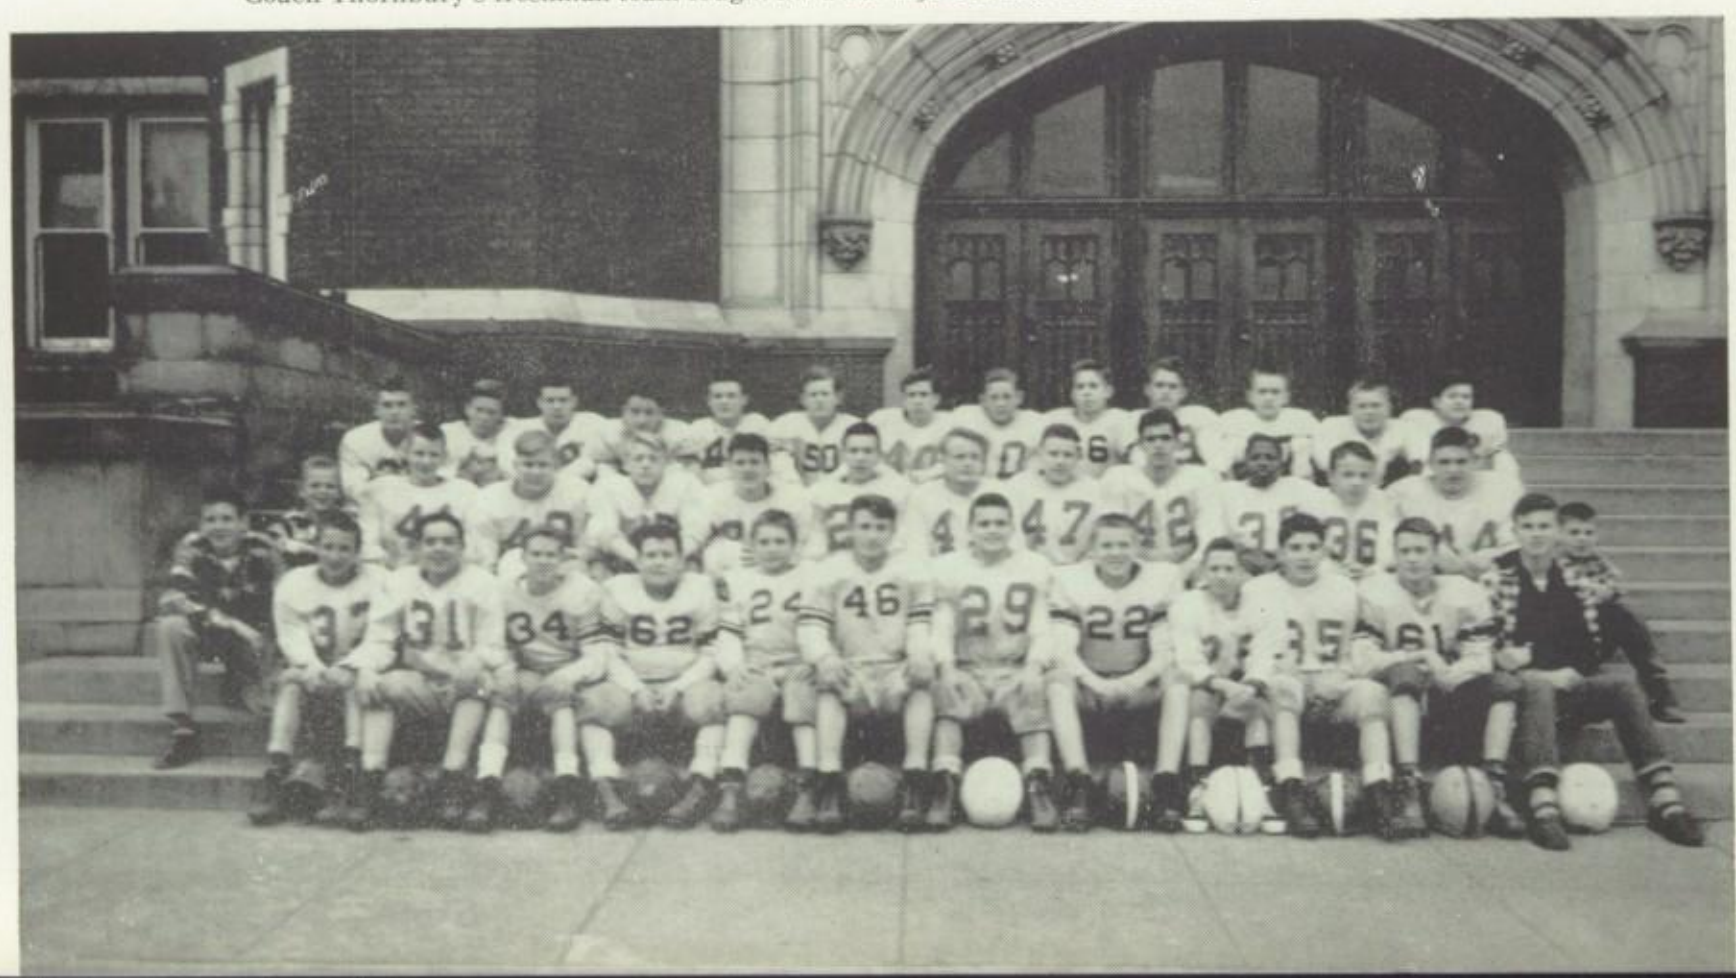
The Hughes defense proved invulnerable for three periods, but fell apart in the fourth as Central made two quick T.D.'s.

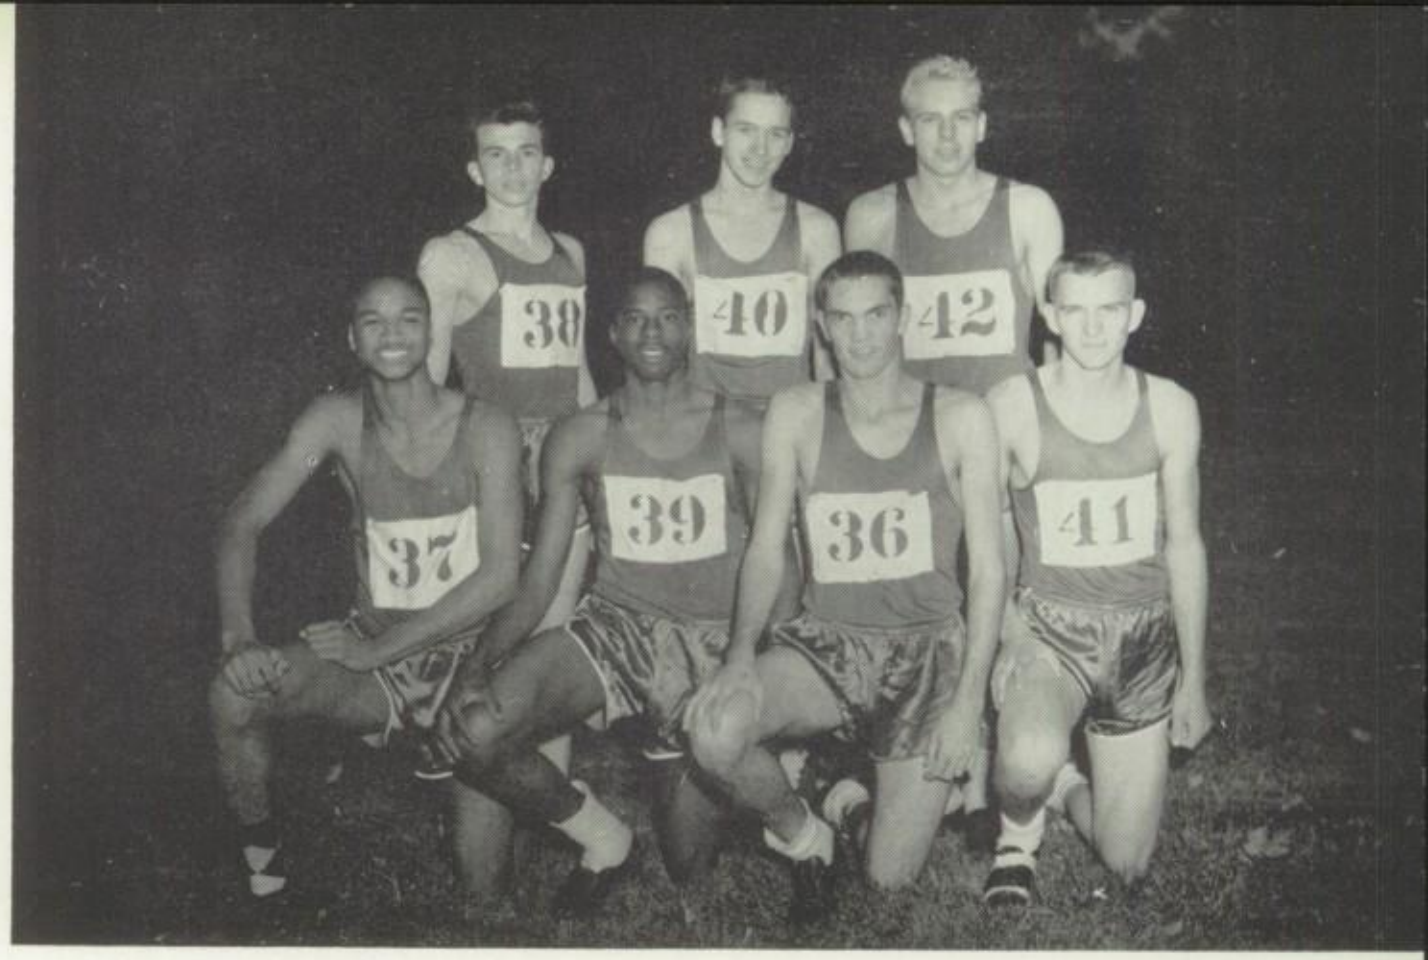
On a field that was fit only for ducks, Hughes submerged Withrow by a score of 31 to 12, to take complete possession of the P.H.S.L. Football Crown.

Long drives by the Big Reds set up their five touchdowns with Huber and Crumrine scoring two each. Sub-tailback Jim Rosenstiel sparked the offense and was responsible for one tally.

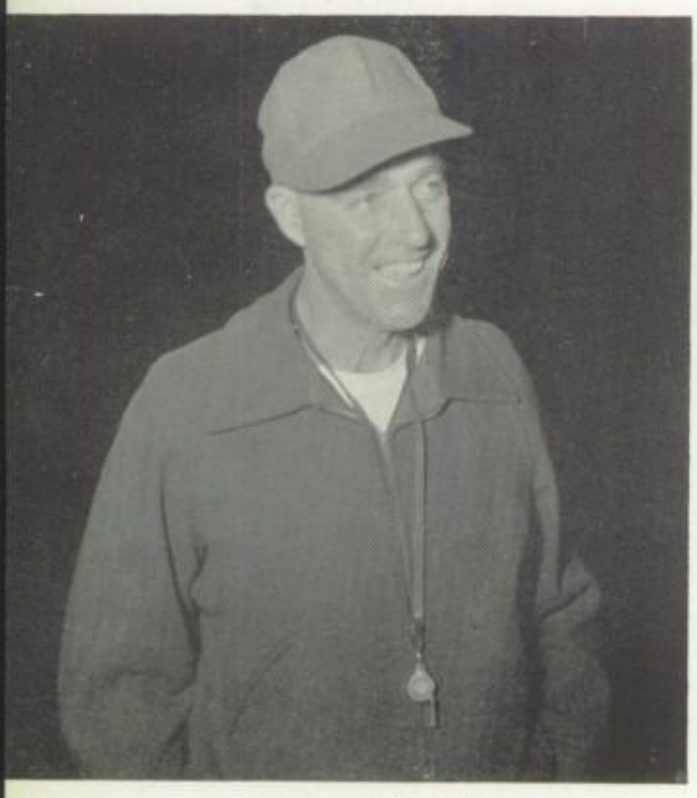
Withrow's only bright spot was an electrifying 86-yard run by Alan Manzlar.

Coach Thornbury's freshman team fought hard but injuries and bad breaks hampered the Little Reds.





Varsity Harriers and Coach Kindschy won both City and District Championships.



Coach Alan Kindschy

Hughes Harriers won the P.H.S.L. and District titles and placed sixth in the State. Hard work, good coaching, and a desire to win brought success to the team.

Cross Country is a sport in which a lot of confidence and endurance is needed. The races are two miles long and are usually run at Avon Field. There are seven boys on a team, and all boys from all teams run at the same time.

Scoring is made by places of the runners. First place is one point; second place, two points; and so on. The first five boys from each team take a place. The team with the lowest total is the winner.

Hughes won all three meets to take the P.H.S.L. title. The team total was 29 for the first meet, in which Errol Bradford, Bill Whitaker, Bill Edwards, Neal Tidwell, and Ray Apple took second, fifth, sixth, seventh, and ninth places respectively.

The second meet was even lower with a total of 24. Bill Edwards won, with Bill Whitaker, fourth; Errol Bradford, fifth; Ron Walker, sixth; and Neil Tidwell, eighth.

A 25 total for the third meet was provided by a first place by Errol Bradford, followed by third, fifth, sixth, and tenth places by Bill Edwards, Bill Whitaker, Neil Tidwell, and Ron Walker in that order. The three-meet total for Hughes was 78, followed by Central's 189 and third-place Walnut Hills' 257.

Eleven teams took the field in the district meet, with Hughes winning by a wide margin. Errol Bradford was third; Neil Tidwell, fifth; Bill Edwards, sixth; Bill Whitaker, twelfth; and Ron Walker, nineteenth. The Big Reds piled up only 45 points, while second-place Walnut Hills had 71 and Central was third with 74. These three teams qualified to go to the state meet in Columbus.

The Big Reds showed tremendous power at Columbus as the Harriers placed sixth in the state. A sensational 10:25 by Co-Captain Errol Bradford was good enough for tenth place, and along with thirty-second, sixty-third, sixty-eighth, and ninety-sixth places gave Hughes a 226 total. This record constitutes an improvement from ninth place, last year, to sixth, this year.

Harriers Race to City, District Titles

Towner leads pack

Following in the footsteps of their elder brothers, the Hughes Reserve Harriers finished first in the P.H.S.L. race. They won each of the three meets, which put them 63 points ahead of runner-up Withrow.

Dick Towner, senior, was the spark of the Little Reds, as he finished no lower than first in each of the three meets. Carlton Walker, junior, finished third twice and second once, to aid the Reserves in their conquest of the P.H.S.L. Towner completed the two-mile course in 12.21, the year's best time.

Mr. Alan Kindschy, Coach of the 'Varsity', also piloted the Little Reds. "Kindsch" said, "If the reserve talent proves as good, next year, in 'Varsity' competition, we will again be very tough."

Other Little Reds who gained recognition were Roger Turner, John Welch, Charles Younger, Griffing Crawford, and Dave Pragar.

The other Reservists were Tom Bauer, Steve Gooder, Jim Grimes, Bob Hagedorn, Erich Mende, Norman Pinfold, Jack Snarr, George Troutman, and Jerry Welch.

1954 Reserves win each of three meets to take P.H.S.L. Championship.

Winners of District, Regional, and P.H.S.L.

The "Big Reds" of 1955 surely were one of the most popular high school athletic teams in the Cincinnati area. Placing second in the "State Tournament," "Winner of the Southwestern Regional Tournament," "Winner of the local District Tournament," and the City Champs by winning the "P.H.S.L." enabled the basketeers to have a successful season.

Winning 25 games and losing 2 games is the ambition of many coaches, but Coach Burley Grimes achieved this record with a team of spirit and a desire to win. Led by Co-Captains Bill Whitaker and Bill (Goose) Edwards and three players who will return next year, the team reached a winning percentage of 93. The three juniors who played a big role were Ray Apple, Ron Blackstone, and Jim Grimes.

During the season Tom Morrical and Steve Gooder were called on for outside shooting which helped many times. The Welch twins, John and Jerry, who both tower over six feet, four inches, gave height to the team. John Smith, who is six-feet-five, also grabbed quite a few rebounds.

Two peppy guards, Carlton Walker and Vaughn Cooper, showed their ability to handle the ball. Gil McKitric, who was the top scorer of the reserves, joined the team for the Tournament. He gave the team a six-five advantage and

his pivot knowledge surely helped in winning several games, as he averaged six or seven points in a few tough spots.

Winning the Public High League title with eleven wins and one loss was the start of the Big Reds long journey during the season. After winning the first eight games, Hughes was under tremendous pressure as the only undefeated team in the city. Western Hills finally stopped this record when it edged Hughes by one point. This, however, was the start of the determination of a comeback which marked the Big Reds on a 17-game winning streak before loss of the final game of the Tournament to Zanesville. Before the Tournament, the Big Reds had a seventeen and one record.

The District Tournament saw 24 teams, but Hughes finished first by beating Fairfield, Anderson, Withrow, Elder, and Purcell. This meant only 16 teams were left out of 304 teams in the state. These 16 teams were divided up into fours called regionals.

Middletown was the first objective to overcome. Then came Portsmouth, which was the top team in the state most of the year. Their prowess didn't stop the Big Reds, for the final score showed Hughes the victors by two points. Only four remained, Hughes going strong on powerful determination to win.

With Columbus East, the Number One team at the end of the season, facing Hughes in the semifinal, things looked bad. A 59-58 win brought tears of happiness to almost every Hughes student. The team members played their hearts out in beating Columbus East, Friday, March 25.

The final game, March 26, found Hughes a tired team. Regardless, they fought as hard as they could. Having a five-point lead at half was the closest they came to winning. This very sad loss to Hughes, after it had come all the way, was heartbreaking to many Cincinnatians. Zanesville, which beat and upset the Big Reds, played an excellent game to win the honor of being State Champs.

All of these players went along, as a team, to have a good season and to be honored by being the best team ever to come out of Cincinnati. No other team has ever won the State Tournament or placed as high as second. Surely Mr. Grimes and the Big Reds and the Cheerleaders are to be credited for a job well-done.

COACH ROBERT MEIER

Hughes "Little Reds," hoping to follow in the footsteps of the "Big Reds," showed their power in winning the Co-Championship P.H.S.L. title.

With a record of nine wins and three losses in League competition, the team was able to tie Old Woodward. Outside of the League, they won three and lost three. The total record during the season was 12 wins against six losses.

Gilford McKitric, Larry Smith, and Walt Peters were the top three scorers, with Dave Campbell, Jim Hurley, Ray Eisenschmidt filling the gap. Fine ball-playing by the "bench" enabled the team to reach a successful season.

Coach Lloyd Williams, in his initial appearance at Hughes, surely showed a great asset for the coaching of the future "Big Reds."

Mermen Splash Way to Fourth

The Hughes Mermen, under a rebuilding process, finished in fourth place in the Public High School League. Coach Alan Kindschy and his men worked constantly every night after school until five o'clock. Strenuous practice and some outstanding talent, furnished by Co-captains Dave Allart and Fred Bergold, enabled the Big Reds to finish fourth among the Big Seven.

The first public high meet was won by Walnut Hills with 63 points. Withrow was second with 52; Central, third with 18; and Hughes followed with 17. The mermen's 17 points were scored by the following places: Jim Carter, second place in the 50-yd. free style; Fred Bergold, fifth place in the 100-yd. breast-stroke; Dave Allart, fourth place in the 100-yd. free style. The 150-yd. medley team took a third place and the 200-yd. senior relay also took third place.

The second meet saw Walnut Hills as the winners with a total of 72 points. Withrow again finished second; Central, third; and Hughes, fourth. The Clifton palace mermen racked up 18 points, improving from their first meet by one. Dave Allart's fourth place in the 100-yd. free style, Fred Bergold's fourth place in the 100-yd. breast-stroke, Jay Hughes' fifth place in the 150-yd. individual medley, third place by the 150-yd. medley relay, and second place in the 200-yd. senior relay were the places taken by the Hughes mermen.

The third and final meet determined the City Championship. The three meet totals and final standings were as follows: First—Walnut Hills with 201; second—Withrow with 132½; third—Central with 65½; fourth—Hughes with 52; fifth—New Woodward with 38; sixth—Western with 21; seventh—Old Woodward, who were unable to score.

The third meet found Hughes in fourth place with 17 points. The points were tallied by Dave Allart, Charles Fischer, and Jay Hughes scoring second, third, and fifth places respectively. The events of the meet were as follows: 100-yd. free-

style, 50-yd. free-style, and 150-yd. individual. The 150-yd. medley took fourth place while the 200-yd. senior relay placed third.

Twelve teams took place in the district meet, with Hughes placing seventh. Co-captain Dave Allart, the only Hughes boy placing in the meet, took third place in the 100-yd. free-style.

The Junior team, called the "Little Reds," placed third in the Public High School League. The junior mermen scored 72 points during the season. Walnut Hills was first with 148½ points, and New Woodward followed with 79. Mr. Kindschy hopes to develop many good juniors for next year so as to break Walnut Hills' streak of Swimming Championships.

"Big Red" Matmen Cop Second in P. H. S. L.

Pragar shows good form on rope

The Hughes "Matmen," under extremely good competition finished second in P.H.S.L. play. It was the first time for 19 years that the powerful gym team lost their championship. It was Central that finally accomplished the feat of defeating the "strongmen" from Hughes. The year 1936 was the beginning of their victories.

Captain Dave Pragar led the team in scoring a "first" in every meet. Dave holds the city record in the Rope Climb and also owns four gym team letters. Bob Harrison, Bob Bailey, Tom Crosby, Bennett Smith, Gene Stuber, Dave Hill, Paul Morse, Alvin Stephens, Calvin Davis, Allan Braley, Jim Parthenakis were other lettermen and gave plenty of depth to the "matmen."

The first gym team meet found Gene Stuber placing third on the Long Horse, while Bob Harrison took top honors on the Horizontal Bar. Dave Pragar won the Rope Climb as the Big Reds racked up 38 points, second only to Central's 63.

The second meet also was won by the Hornets as they increased the lead of first place with 67½ points. Hughes, determined to fight back, scored 34½ points by the aid of two first places by Bob Harrison, and a third place by Tom Crosby.

The last city meet, which would determine the championship found Central 58 points ahead. Hughes had a 51½ point lead on third-place New Woodward. The third meet followed in the same manner, as the placing of the top three was repeated identically with the first two meets. Dave Pragar once again won the Rope Climb and Bob Harrison placed second on the Rings. August Zorn placed third on the Side Horse which made a total of 31 points for the meet.

The final standing, a three-meet total, was Central 204½, Hughes 103½, and New Woodward 28.

After the completed season the Gym Team participated in the Turner meet. Once again Central walked away with first place by scoring 61 points. Hughes, an improved team, registered 40 points, and New Woodward scored 11 points. Bob Harrison took a first place on the Rings, second place on the Horizonal Bars,

and third place in Tumbling. Dave Pragar won the Rope Climb, Tom Crosby placed second on the Side Horse, and Bob Bailey placed third on the Parallel Bars to give the Big Reds more places in one meet than any other of the previous meets. A great year for Coach Richert and his men was attributed to hard practice and the determination to win.

Hughes little "matmen" also followed in the shadow of the "Big Reds" by placing second in the final standings of the P.H.S.L. Central won with a total of 233 points; as Hughes scored 59 points, New Woodward 42, and Western Hills 2.

Coach Richert is hoping for a successful season in '56 with the help from the "Little Matmen," and the returning lettermen from this year.

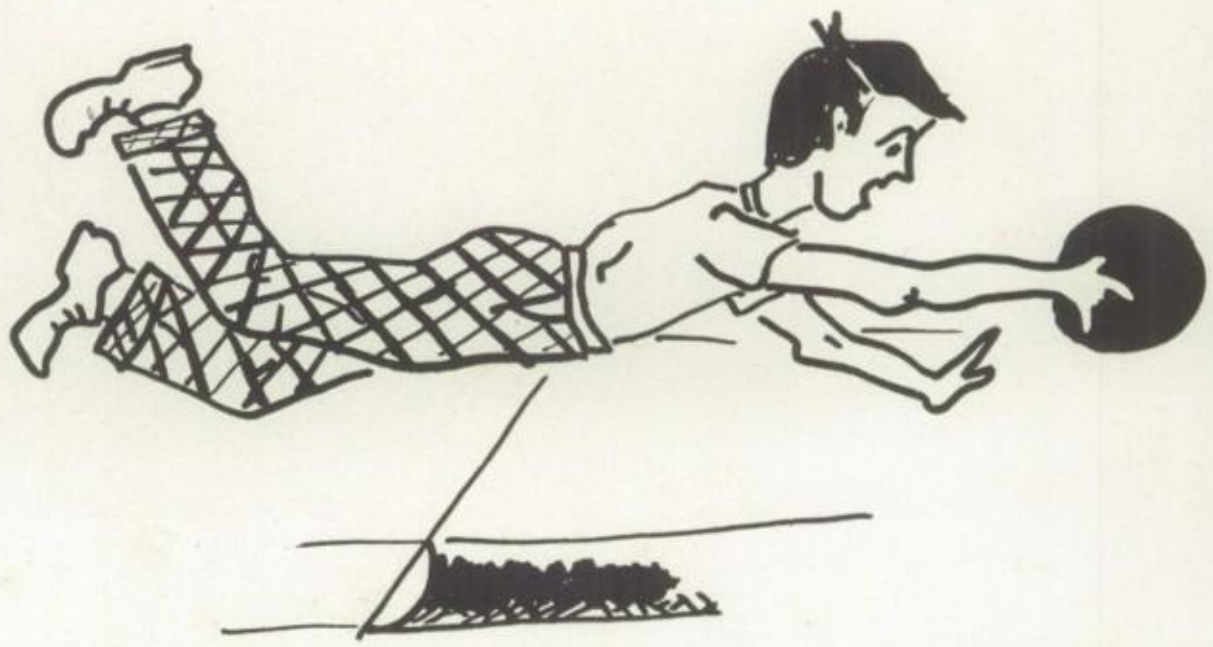
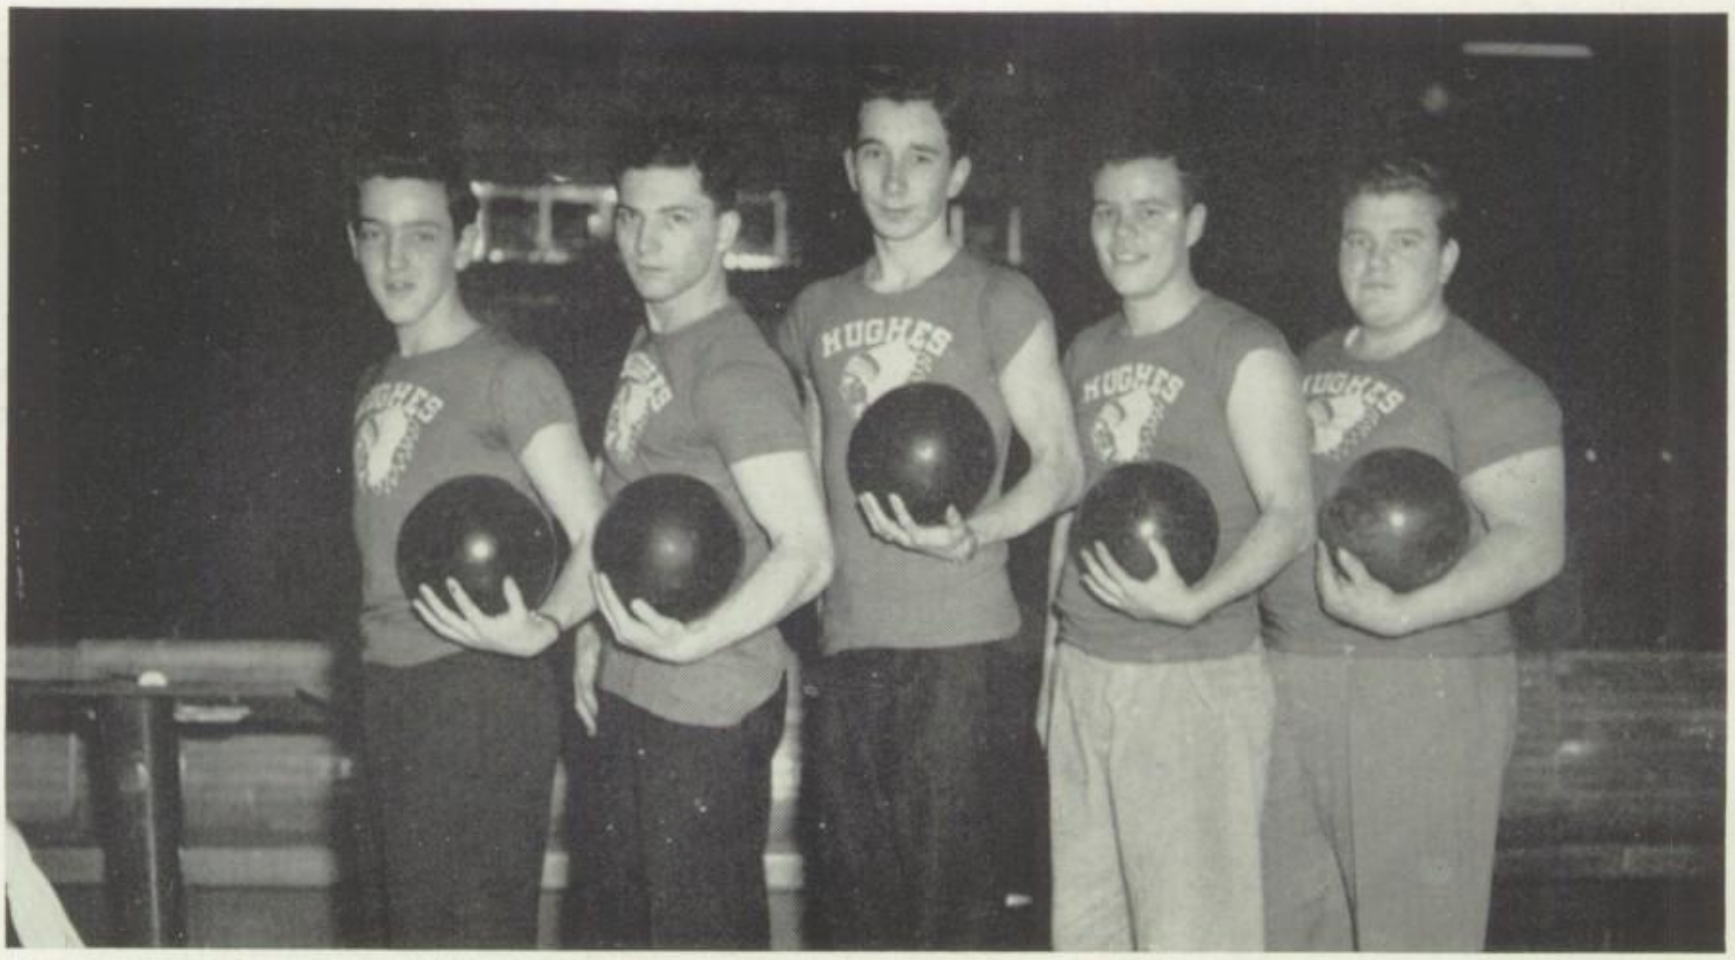
Keglers Capture Bowling Crown





Varsity Bowlers Leroy Nash, Bob Reichelt, Bob Peetz, Rod Beets, and Bruce Prewitt brought Hughes its first bowling championship.

In winning 24 contests in 30 starts, the "Big Red" Bowlers notched their first P.H.S.L. co-championship. Due to an error in score keeping, there is, at time of publication, a doubt as to who really won, West Hi or Hughes.

The Hughes keglers under the direction of Coach Richard Thornbury beat every team in the league at least three times. They took three of six from West Hi, four from Walnut, five from Withrow, and six each from Central and New Woodward.

The squad spilled 24,310 pins in 30 contests for an 813 average per game. The top single game was a 918, and the high three game total was 2605.

The individual statistics:

With a top-notch record of 12 wins and six losses, last year, the current Big Red Baseballers will have something to shoot at if they are to top the '54 record. Six wins and four losses in P.H.S.L. play gave Hughes a third-place finish.

This year's contingent will have six returning from last year's squad. Huber, Apple, Whitaker, Rosenstiel, Grimes, and Cook are expected to lead the team through a good season.

The "Big Reds" have a rough 28 game schedule, which opened March 21. Coach Ray Hartker, who replaced Coach Robert Reuss, said that with a little luck and some good pitching, the "Big Reds" could be plenty tough.

Graham, Peters catch "Big Red" pitchers.

Errol Bradford and Neil Tidwell practice mile run.

The 1955 "Cindermen" of Hughes have a good chance to win the city and district meets and place high in the state. Because of the Annual's going to press before the first meet, it is impossible to give any results.

Last year the Big Reds finished in second place both in the District and City meets. Withrow had a powerful team, but lost most of the team through graduation; Hughes, on the other hand, lost only three lettermen.

A total of 13 returning lettermen, led by Co-Captains Ron Wolf and Walt Koehler, should push the Big Reds into a successful season. At least one returning letterman from each event will provide depth and experience to the "Cindermen."

The 100-yard dash will be a fast one, this year, as Ron Wolf ran a 10.2, last year, and Jim Martin, 10.7.

The pole vault brings hope for Bob Harrison as he will try to top 12 feet. Art Bepler and Willie Adkins will participate in the high-jumping events. The sprint medley, 880, and 440-yard relay will be strong as the complete team is returning. Ron Wolf, Jerry Freeman, Willie Adkins, Errol Bradford, and Jim Martin will run in those relays. Coach Paul Richert is hoping for a very sucessful season in which he has very good material.

Hughes Linksters Show Superiority

Bob Perkins, Dave Yoder, Jack Farrell, Paul Mueller, Bill Brown, and Dick Jones comprise '55 golf team.

Under the capable direction of Morgan Jones, golf pro at California, the "Big Red" Linksters are expected to topple the Public High golf crown from the tower of Withrow. Last year's team finished second dropping its only public high match to Withrow.

This year's contingent has three returning lettermen in Dick Jones, Jack Farrell, and Dave Yoder who are leading the four-man squad. Dick Jones shoots in the low seventies, while Farrell and Yoder shoot in the low and middle eighties respectively.

The schedule for the current season is:

April 18—Western Hills ..... Kenwood
April 25—New Woodward ..... Kenwood
April 28—Wyoming ..... California
May 2—Walnut Hills ..... Kenwood
May 16—Withrow ..... Hyde Park

"GAA, GAA, the group that's the best to know!
GAA, GAA, down in the gym where friendships grow,
Where love of sports unfurls,
We're from GAA, we're the GAA girls."

The strains of this song drift up from the girls' gym every day after school as members of the Girls' Athletic Association participate in sports during the year. The object of GAA is to give interested girls a chance at good, clean, healthful sports and to develop wholesome minds and dependable character.

Leaders of GAA are: Coralee Schmidt, President; Pat Fey, Vice President; Jessie Lovett, Secretary; Janice Krell, Treasurer; Diane Drohan, Activity Chairman; and Theresa Flynn, Historian. A spirited tug of war heads the events of the annual picnic.

In the fall of the year the GAA girls donned their jeans and traipsed down to Burnet Woods for an afternoon of baseball, group games, and tug-of-war highlighted by hot chocolate and roasted marshmallows.

As Christmas rolled around, a good-will visit was made to the Children's Convalescent Home. Gifts and ice cream were passed out to beaming faces while the carolers serenaded.

Springtime and the Battle of the Sexes pitted the boys against the girls in a hectic game of "basketball." The boys, wearing girls' gymsuits, faced their stiffest "competition" of the year as girls' "rules" were followed.

Awards were given out, the Honor girl was chosen, and next year's officers were announced at the GAA banquet held at the end of the year.

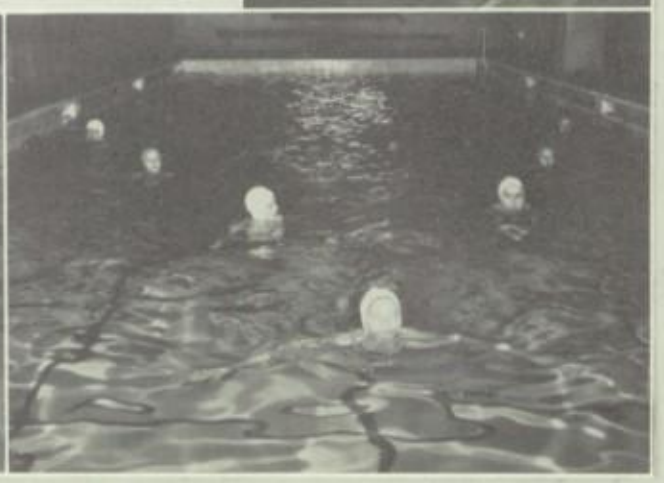
WINTER: Volleyball, Basketball, Bowling, and Swimming

SPRING: Individual Sports, Softball, and Tennis



Mary Fulton, Diane Drohan, Ann Atkins, and Barbara Gibson are seen battling for the hockey puck.

G.A.A. "pucksters" battle for the ball.

No Ice for Those Hockey Stars

The first outdoor sport of the school year was hockey. This sport, called the "game of bumps and bruises," was played on Tuesdays and Thursdays at Fairview Park. Only the hardiest and most courageous members of the "weaker" sex turn out for this sport and attempt the long trek down to the playing field.

The girls play field hockey with a ball instead of ice hockey with a puck. Each team consists of a goalie, two guards, two forwards, two wings, and a center.

Those girls who survived the bumps and bruises participated in Hockey Playday at Withrow High School. Third place was earned by the Hughes players.

Jerri Crandall held the position of sportleader this year, and Mrs. Rita Lacker acted as instructor and adviser. The 10 outstanding girls were chosen to constitute the 1954 Hockey Honor Team.

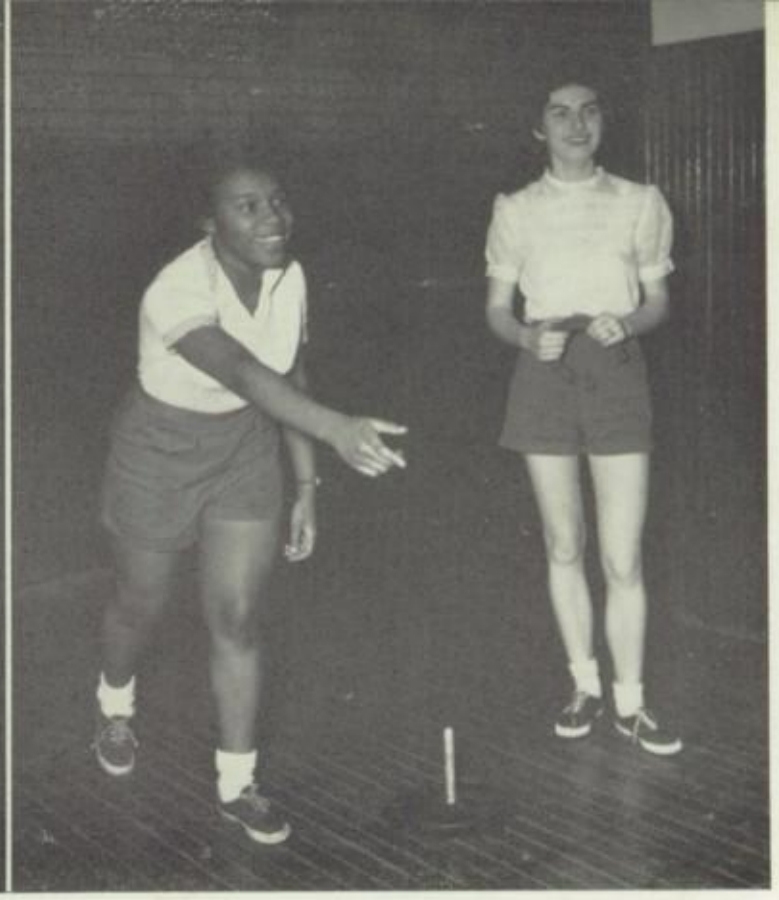
Roz Korn and Janice Freckman have a wild game of table tennis.



Liz Davis and Harriet Perkins practice making ringers.

Individual Sports Offer Variety, Relaxation

Table tennis, alias ping pong, is played proficiently by many girls at Hughes. Each year a tournament is held to determine the champion. Last year Janice Freckman and Roz Korn were the winners.

The exciting game of horseshoes is handled with perfection by the fairer sex. The horseshoes certainly brought good luck to Harriet Perkins and Liz Davis as they threw "ringers" around the other girls to win the championship.

Shuffleboard and badminton are the last two games of individual sports. As in the other sports, a tournament is held. Last year Harriet Perkins and Rosetta Nealy won the shuffleboard honors. Barbara Gibson and Diane Drohan came up with the trophy in badminton.

The Spring Sports Playday held on May 19 at Lunken Airport consists of all these sports. The best girl of each sport represents Hughes.

Rosetta Nealy shows good form in Shuffleboard.

A moment of indecision arises as Hughes' girls prepare to return the ball.

Volleyball Enthusiasts Bring Victory to Hughes

Volleyball playday was over. Hughes buses returning from Central and Walnut Hills echoed and rechoed with shouts of victory. The GAA girls had copped the Volleyball crown of the city with 15 wins to three losses. This was the reward for hours of practice after school in the girls' gym.

Under the energetic leadership of Carol Tsaras and Coach Mrs. Rita Lacher, the girls were taught the finer points of volleyball and how to work as a team. Such terms as "net ball," "let ball," and "spike" became part of the every-day jargon of the girls.

Intramural tournaments were held every Tuesday and Thursday until playday. Results of the tournament were: First, Volleystars; Second, Wee-Ettes; and Third, Seniorettes.

Because of her tremendous coaching, Mrs. Rita Lacher was sure to be voted "the coach of the year."

All eyes are on the ball in a close game at the Junior High Playday.

"Bloomer Girls" Play Basketball

A ball "swishes" through the net, inaugurating the opening of the GAA basketball season. Led by Rosalie Haas, the teams spent Tuesdays and Thursdays practicing for the approaching playday. Under the direction of Mrs. Rita Lacher, the girls perfected various maneuvers until even "Burley" Grimes would give his nod of approval. Such skills as dribbling, foul shooting, figure eights, and zone defense were mastered by the ten teams.

The annual game with Western Hills constitutes a friendly rivalry: and, although the results were not available at the time the Annual was printed, the girls from Hughes looked forward to a victory.

Another event of interest is the annual "Battle of the Sexes" game in which the Hughes girls are always sure of a victory over the poor, defenseless boys. Following the game, a dance is held in which "Mr. and Miss Hughes" are crowned.

A "Ballet" block is attempted by Shirley Thomas as Barbara Gibson shoots.

Teamwork is shown by Hughes girls in the intramural tournament.

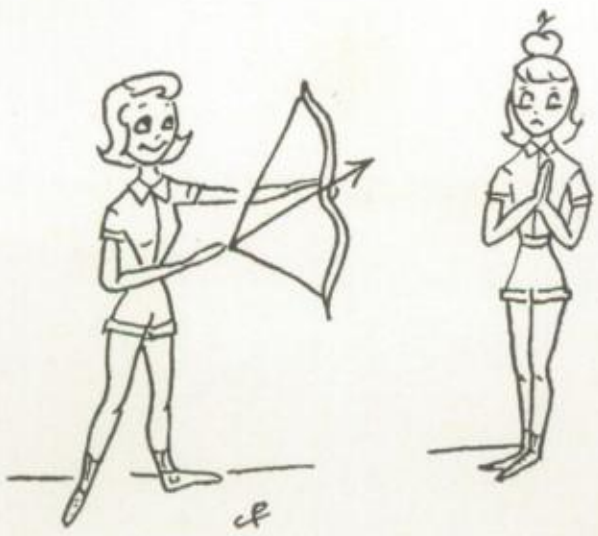
Dancers Show Grace and Poise

Dancing enthusiasts form a graceful pinwheel.

Silent specters, dancing to the rhythm of strange music, portray in pantomime ancient dances to the gods of Sun and Rain. Unshod feet shuffle out the beat as the figures raise and lower their arms in silent cries of anguish and despair, then collapse and lie on the ground. As the music ends, the mystic becomes reality, and the modern dancing group takes a break.

This strange interlude from the everyday stress and strain of life occurs after school, each Wednesday, in the girls' gym. Led by Miss Jeanette Nurre and Joyce Taulbee, modern dancing starts in November for all girls interested in expressionistic dancing. A symposium of all the modern dancing groups in the city is held in the spring.

Archers Bend A Swift Bow



Archery, a sport where skill is necessary, is avidly played by many girls of GAA.

The girls participating in this sport came every Wednesday for several weeks for needed practice, before the actual tournament began. With the help of Esther Anschutz, the able sports leader, many bull's-eyes were finally made.

After the tournament was held, Carol Smith was found to be the highest scorer in the intermediate group with a total of 53 points. Rosetta Buise came in second with 43, and Rosetta Nealy was third with 42.

In the beginners tournament Dian Nicholas placed first with a total of 24 points. Carol Fullam and Gay Stocker were close behind with 23 and 20 points respectively to close the archery season.

Junior Highs support kickball en masse.

"Juniors" Show Kicking Skill

The sport in which the Junior Highs dominated was kickball. It began in the fall of the year and lasted about three months. The Junior GAAers enthusiastically stormed down to the girls' gym after school as soon as the beginning of kickball was announced. Coming on Mondays after school, they were taught the fundamentals of the game by Miss Jeanette Nurre. Strong kicking, good catching, and accurate throwing were points stressed over and over again.

The kickers were led by Janet Acker who formed them into two teams that had between 15 and 20 members apiece. After a strenuous tournament, the Jolly Kickers, with Diane Jollie as Captain, emerged the victor over the Rockets, and Captain Betty Lee Boesche.

Graceful forms hit the water of the swimming pool as Hughes mermaids perform aqua antics that would make any self-respecting fish hide his flippers in shame. Under the supervision of Miss Jeannette Nurre, the swimmers (from beginners to full-fledged Esther Williams) are as safe as though they were in their own bathtubs.

Practicing such strokes as the crawl, breast, side, and "the jellyfish float," the girls prepared for the tournament. Romain Newman and Marlene Ebel were chosen team captains; and after a strenuous water battle, Marlene's team came out victorious (and wet!).

Marianne Miller, a senior, and Sue Curry were tied for first place with 16 points each. With Linda Clayton as a sportleader, the girls invaded the boys' gym every Friday after school.

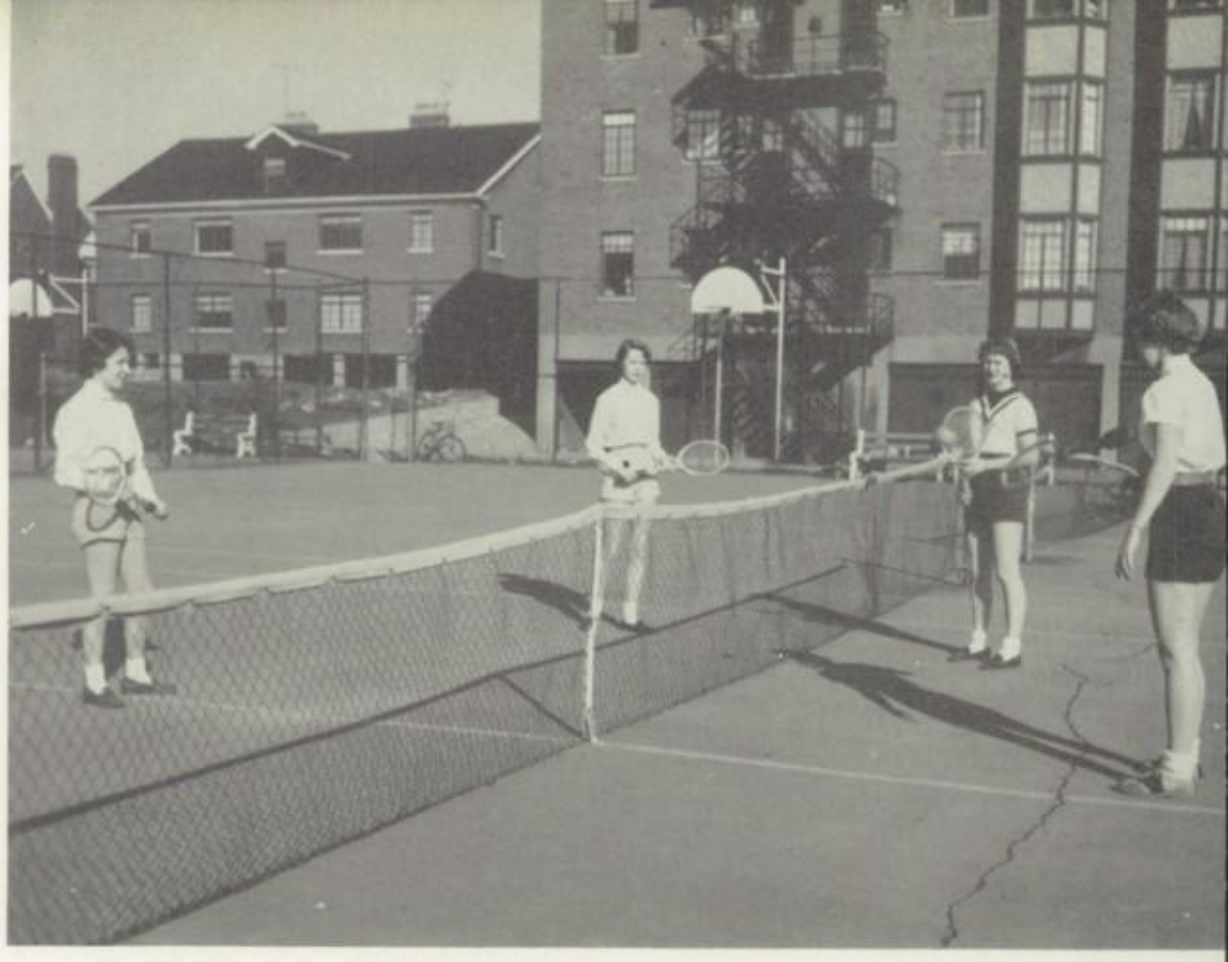
"Courting" Days Are Here Again



Sondra Lancaster, Mary Fulton, Barbara Gibson, and Pat Fey show top form in a game of doubles

A new addition to the GAA activities is horseback riding. The club was formed and led by Lois Ernst on her blooded stallion, Earlhanis King, at the Springlawn Riding Stables. Marji Marks, Manager of the Stables, instructed the girls in the fundamentals of riding. Classes were held, on Wednesday afternoons, beginning in the fall.

At first the "greenhorns" were taught how to mount a horse and the proper way to hold the reins. Then came lessons in controlling the horse while at a walking gait, trotting and the art of posting, and finally the canter.

The group then took to the woods and enjoyed many afternoons following narrow winding trails. A moonlight ride was planned for some time in the spring.

The hearty shout of "love-15" should lead no one astray. It's not the title of a movie, but the score of a tennis game being played by the GAA girls.

During April and May, the girls go jaunting down to the Coy Field tennis courts to practice their skills at this invigorating sport. Anyone might be startled by the term "fore" shouted on the tennis court, but he wouldn't be surprised if he saw the way some of the girls hit the ball.

Tennis is led by Peggy Stewart, who shows very exacting form and grace. Other girls can be seen practicing for control by hitting the ball against the wall of the girls' gym.

Coralee Schmidt improves her batting average in GAA baseball

Battling Nines Sear the Plate

It's a "strike," no it's a "spare," no it's a "gutter ball." Yes, it's GAA intramural bowling led by Tomi Takao. Every Monday after school the girls join the stampede to catch the first bus down to Mergard's Bowling Alley in Northside. On arriving, they frantically search the racks for "their ball" until a sigh of relief designates that it has been found. Coach Richard Thornbury teaches the beginners the basic rules and regulations and proper form.

At the close of the season the five top girls are chosen to form a team which plays other schools in the city. The girls, this year, are Diane Drohan 124, Carol Hemingway 121, Carol Haeckl 119, Beth Crawford 117, and Carol Tsaras 116.

Several weeks before and after Easter, talk of batting averages and league standings is heard constantly in the girls' gym. No, neither the percentages of the Hughes boys nor the Cincinnati Reds are being hashed over, but their own averages.

Beginning in April under the supervision of Mrs. Rita Lacher, the GAA girls, carrying gloves, bats, balls, and catchers' masks, trouped down to Fairview Park every Tuesday and Thursday. With the aid of Nancy Clark, sportleader, the so called weaker sex formed teams and held a highly competitive tournament.

The climax of the season came, Thursday, May 19, when the Spring Sports Playday was held at Lunken Airport.

Hughes keglers anxiously awaiting the next game are: sitting: Sue Werner, Beth Crawford, Diane Drohan, Carol Hemingway, Carol Haeckl; standing: Virginia Bell, Janet Acker, Carol Tsaras, Barbara Gibson.

Assembly Paves Way for Good Citizenship

The Congress of Hughes High School is its Student Council. Once each month the members meet to discuss the various problems of the school.

The council is made up of a representative of each home-room. Three sophomores, four juniors, and six seniors are elected from this group to form the executive board. They meet every two weeks in the Alcove with Miss Gladys J. Kloak, the sponsor.

Under the gavel of President Charles Crumrine, the council undertakes many worthwhile projects throughout the school. Each of these projects is under the direction of a member of the board. These have consisted mainly of selling candy after school, sending get-well cards to the sick, and providing needy families with Thanksgiving baskets.

In the spring, the council presents its annual classical assembly. The assembly is made up entirely of student talent.

The Student Council activities are climaxed on Class Day when the new president is presented with the gavel.

Younger Classes Served by Junior Student Council

Junior Student Council was founded in September of 1953 when the Junior High School became a reality. As in the senior council, a student from each homeroom is elected as a representative to the council.

President Mary Gaefe calls a meeting to order every four weeks. During these meetings, the problems of the school are discussed. When a bill is finally agreed upon, it becomes a law.

Though the Junior Student Council is a separate organization, it collaborates with the senior council on many of its projects. Someone from the lost and found committee is in the Alcove to return lost articles every day before and after school. This is also true of the committee for lost books.

At the close of school, the council, under the direction of Miss Gladys Kloak, holds an assembly in which awards are given to those pupils of the Junior High School with the highest number of merit points.

Now, what could they be talking about?

Memories of autumn bring thoughts of Freshie Aids and the Big and Little Sisters Party.

Honor League is the oldest service organization at Hughes. The club is made up of senior girls who have maintained an average of "C" or above for a period of two and one half years.

Services performed by the girls are many and varied: entertaining children at Union Bethel; giving to the aged at the County Home; and filling Thanksgiving baskets.

At school, the Honor League girls act as Freshie Aids, work at the Information Desk, and serve in various offices.

Throughout the year, the students' schedules are filled to the utmost. In September, the Big and Little Sister party is given for new underclassmen. This attention helps them get acquainted with the new world around them.

Alumni, teachers, and parents are all invited to the annual Honor League Christmas Tea. The purpose of the festive event is to acquaint the parents with the many accomplishments of this honor club.

This year the group held a breakfast in the north lunchroom during Girls' Week. All junior and senior girls with average scholastic standings attended. The objectives of the girls for the future are: to perform admirably and graciously before the eyes of all and to do the best expected of them always.

Honor League girls prepare for the Mother-Daughter Tea.

The Hughes Club was started in 1919 under the sponsorship of Mr. Elmer W. Kizer. Now under the direction of Mr. Ben F. Fulks, this club serves the school in many different ways. From the club, the school gets its lunchline guards and its cheerleaders, who play a big part in benefiting the school.

Open only to junior and senior boys of high scholastic ability and good character, the club presents the annual John Alden and Priscilla dance at Thanksgiving time. This money and receipts from selling sportswear go for school needs and the Christmas Fund. Last year a moving picture camera was purchased for the school by the Hughes Club and this year a television set. The school amplifiers and many other things have been purchased by this service club in past years.

Every year the Hughes Club spends a frolicking weekend at Brown County State Park, Indiana. Only 90 miles from the city turmoil, Brown County offers three good meals, swimming, horseback riding, hiking, and other sports. Yearly 60 or 70 Hughes Club boys enjoy this camping out trip.

The club meets on the second and fourth Monday night of every month. Officers are elected every spring and must be seniors. If two meetings are missed in a row, a member is dropped from the club. To be eligible for office, a member is allowed to miss only two meetings a year.

Hughes Club Maintains High Standards

Outstanding speakers from the city of Cincinnati have given the boys valuable information regarding business, vocational interests, and good living.

Speakers from various foreign countries have enlightened this group on the ways of life of people from other countries. In this way the boys are able to grasp a clear understanding of the present world situation and prepare themselves to meet the future.

Hughes Club members can be found in leading organizations of the school. All Hi-Y members belong to Hughes Club.

The Hughes Club has served the school for many years and has purchased the cases for trophies and letters.

An ambitious organization at Hughes is the Sales Club, which was founded many years ago by Miss Mary McSurely, a teacher of salesmanship. The only requirements for membership are to include salesmanship on one's program.

Members of Sales Club have a fine contact with the Cincinnati Sales Executive Council, which sends a speaker monthly to talk on various types of selling. At the end of the year, the Council entertains representatives of all the Sales Clubs of Cincinnati at a dinner.

Club members give a Thanksgiving basket to a needy family and sell corsages during Christmas. The end of the year is climaxed by a picnic for the two clubs at Hughes.

One of the main objectives of the Hughes Math Club is to promote interest among the students in higher mathematics. Too many students take two years and then forget their third R, 'Rithmetic.

The club is well-established and has existed here at Hughes for many years. Mr. Clyde Hall, the capable adviser, has led the club activities very successfully in the past years.

During the past year, Math Club has had many meetings. At these meetings there were movies and speakers, all connected in some significant way with mathematics. Each program proved entertaining and informative.

This year's members have paved the way for better and more unusual type club sessions.

Under the guidance of Miss Elizabeth Zorn, the Home Economics Club is open to any Senior girl taking Home Ec. and any other Huzite taking the subject. Junior girls often join to know their school better.

The club is not only a service club but an informative one. Throughout the year the members of the Club knit socks, make candy, bean bags, and scrap books for the County Home and other charitable organizations. This year the group held a huge bake sale. With the proceeds from the sale, they contributed greatly to the annual school Christmas Fund.

Year after year makes the spirit of giving in the club greater.

French Language Provides Enjoyment Through Studies

French Club, better known as Le Cercle Francais, is sponsored by Mrs. Mary S. Howell, head of the French department at Hughes. Under her supervision, the monthly meetings are conducted in French and yield much interest through speakers, movies, games, and songs.

The Christmas Fund benefits greatly from noteworthy contributions of the French Club. The members earn the money themselves through various projects. CARE packages are also sent abroad bearing goodwill at Christmastime.

French Club participates successfully in the biennial Hughes Carnival.

Through such efforts French Club tries, not only to increase knowledge of French customs and language, but to support its motto, "Noblesse Oblige."

Limited to senior students only, membership in the Merchandising Club is under the skilled direction of Mrs. Elizabeth Shields. The chief function of this organization is making co-op schedules possible for interested students.

The co-ops get a variety of training and experience through the activities of their club. The students study different types of selling, office work, and general merchandising information.

During the school year, the growing association makes field trips to various business concerns, such as Fashion Frocks and the Federal Reserve Bank.

In June, a cash award is given to the co-op with the highest curricular average.

Hughes Parlators is the debating group at Hughes. This year the orators of Hughes, sponsored by Mr. Arthur Gray, have chalked up many wins in their debating against other schools in this area.

This year's subject for debate is "Resolved That the United States Should Adopt a Policy of Free Trade Among Nations Friendly to the United States." Each school has two teams, an affirmative and a negative team, taking opposite sides on the debating question. Those students work out arguments for and against adopting free trade.

Other schools in the Greater Cincinnati Speech League include Mother of Mercy, Purcell, St. Xavier, Glendale, and Walnut Hills.

Junior Y-Teens Help Build Good Character

"Little sisters" to the girls in the Y-Teens are the members of the Junior Division of Y-Teens. The club is sponsored by Mrs. Mary Jane Doepke and Miss Jessie Hollweck, junior high teachers.

The girls in Junior Y-Teens are continuously striving to do better in every thing they attempt, in or out of school.

Each year, the organization has several picnics and parties for just plain entertainment. The girls also have an annual Cookie Sale to help promote the School Christmas Fund.

This year, for the first time, the group is donating three pianos to Longview State Hospital. As their counselor said so well, "Nothing could have been appreciated more. The experience was extremely beneficial for the girls."

Frequently, several of the girls attend various activities and social affairs at the downtown YWCA. There they participate in sports, civic service, and spiritual fellowship.

The Junior Science Club was started in December of 1953, the first year for the seventh and eighth-graders at Hughes.

Miss Helen B. Neuman is the capable sponsor and has helped to greatly develop the little organization. The club membership is wholely of junior high students.

Various speakers throughout the year have enlightened the boys and girls on the many wonders of science. The club also provides enough equipment for the students to perform various interesting experiments.

Speakers, movies, slides, and other types of giving information show the young people how their daily lives are affected by science.

Science Club does a considerable amount of charity work and dips into many school activities, such as the Christmas Fund and the Easter Program.

The German Club, under the leadership of Miss Jannet Schenk, promotes a better understanding of the German people and their way of life. Working together as a unit, the members have much fun by singing songs and putting on skits in German. Other activities of the club are: giving talks on German scientists and composers, meeting exchange students from Germany, and seeing movies. One of its worthwhile yearly projects is to send CARE packages overseas.

Officers are elected in September and membership is open to any student studying German. Other students interested in joining may do so but a member should have some knowledge of the language, since some German is spoken at each meeting.

Good Fellowship Gained through Hi-Y

Hughes Hi-Y, sponsored by Mr. Paul Bowers, is a service organization affiliated with the Central Branch of the Y.M.C.A. Its purpose is to create, maintain, and extend throughout the school and community high standards of Christian character.

Membership in Hi-Y is limited to a small number of junior and senior boys of outstanding character and leadership. Since a ruling by Hughes founder, Mr. Elmer W. Kizer, stipulates that all members of Hi-Y must also be members of Hughes Club, the Hi-Y is unique in its membership qualifications.

One of the junior members, Jim Grimes, has been given the distinctive honor of representing the Hi-Y's of Southern Ohio at a world Hi-Y conference in Paris, France, this summer.

Some of the Hi-Y's yearly projects include: the annual Mr. X dance, entertaining the aged at County Home, Christmas caroling for shut-ins, voluntary religious services for the entire school at Easter, and a Christmas party for the senior class. Besides these activities, the members of the group are always ready and willing to be of service to the school and community in any other ways possible.

Visits of Students Into Deutschland Better Relations

Organized to help students understand and use a second language, the Spanish Club, "La Tertulia," has flourished since.

Sponsored by Mrs. Barbara Palmer, the club has grown considerably in the past year. Throughout the school year, the members participate in various scholastic and extracurricular activities. They donate to the annual Christmas Fund and other school functions.

Through movies and actual contact with Spanish ideas and customs, Spanish pupils learn to appreciate another people and their ideals. There have been several visits of Latin American persons during the past and plans have been made for their return.

Y-Teens Promote Good Understanding

The Y-Teens, a division of the Y.W.C.A. and sponsored by Mrs. Barbara Palmer, is an all girl organization. The club is one of the oldest at Hughes.

The purpose of Y-Teens is to make better citizens of all its members and to raise their ideals to the highest possible pinnacle.

Junior Y-Teens is a new addition to the club. It is composed of all junior girls who wish to join and pledge to uphold the club's high standards.

Beside their regular club activities, the members serve Hughes by helping out in school extra-curricular events and donating their funds and time at Christmas, Easter, and other holidays.

Y-Teens is well known for its creation of understanding between the young and the old.

Hughes Monogram, Key to H-Club Door

Formed in 1948, by coach Alan Kindshey and Mr. Dwight Smith, H-Club has advanced greatly since. It is an honor society for boys who have earned a letter in some form of athletics. To promote leadership, stability, fellowship, clean living, and sportsmanship is the main objective of the group.

The All Sports Queen Dance is sponsored by the H-Club annually. The club also promotes a hayride and a basketball team in the interfraternity league. Programs for the Pigskin Preview were also sponsored by the club.

Under the right environment, H-Club gives its members opportunity to take part in various social affairs.

As one of the senior members of H-Club said so proudly, "My head could literally pop with pride because I'm in H-Club!"

Business Club Prepares Youth for Their Future

Beta Chi was founded in 1953 by Mr. Charles Geraci, commercial teacher. The club was established to encourage students to go into the commercial field of occupation, and to build a better, more complex business at Hughes.

Annually the group visits many different business establishments of Cincinnati and surrounding areas. This exercise has highly increased student knowledge of the constantly developing business world. Every year the club plans to do something entirely new. Beta Chi attempts to give the student a small venture in a business-like manner.

The organization, which has grown considerably in the past year, donates a small fund to the school annually and participates in other service activities.

Parties merely for fun or in keeping with holiday spirit, are arranged frequently for the club members.

Harmony among Social Clubs Sponsored by Council

Interfratority Council is an assembly of students who hold membership, usually as an officer, in any Hughes Social Club. The council is an organization established to bring harmony and fix dates among the many clubs. Each year the group elects officers to govern them and on general principles; Interfratority Council is like any other club at Hughes.

It is the objective of the group to do some sort of charitable work annually. This year, the members took gifts to the Hamilton County Home and went carolling at Christmas. The council also collected money for the Muscular Dystrophy Association.

As do other clubs, Interfratority Council participates in extra-curricular School activities such as: the Christmas fund, Easter service, Carnival, and the giving of a gift to the school each year.

Miss Hazel Koppenhoefer and Mr. Paul Bowers are the sponsors of the Interfratority Council besides their many other duties.

In 1948 Coach Howard "Burley" Grimes founded the Krueck Club in remembrance of the great Hughes football coach, Edward ("Red") Krueck. Its purpose is to serve the school and provide fun for each member of the organization.

The club is made up of the outstanding boys of the freshman and sophomore classes. Personality, grades, and school citizenship are the keys to membership.

The sale of mistletoe at Christmas time is one of the activities of Krueck Club. Then, too, every loyal booster of Hughes sports events knows he can find a schedule of all the games on the pencils sold by the boys.

The preamble of the Huzette Constitution sets forth its purposes: To aid the school and the community to the best of its ability; to develop the personality of the members of the club; and to promote good citizenship, leadership, and friendship. The club is sponsored by Miss Ann Rasche.

Two eighth-grade girls are chosen each year from every elementary school as nominees for membership. At midyear, ten freshmen are also selected for membership. Qualifications are good grades, personality traits, and citizenship.

Huzettes carol every Christmas at Longview State Hospital, contribute to the Christmas Fund, and participate in the biennial Hughes spring carnival.

Chi Omega Sigma fraternity was started in 1923 by a minister as a Sunday School group. After functioning for a few years, it was decided to adopt a constitution as a fraternity and become the Alpha Chapter, having its home at Hughes.

At the completion of newly built schools, 1932 saw the beginning of a chapter at Western Hills High School, later another branch at Withrow. This concluded the expanding until a chapter was established at the recently built New Woodward.

Some of the activities in which the club participates are the sending of two underprivileged boys to summer camp, and social events to promote good feeling among its members.

Delta Beta

Delta Beta, the oldest fraternity in the city, was founded at Hughes in 1889. As the years progressed, Delta Beta prospered at Hughes. The fraternity also spread to a number of other high schools in the city. Today there are chapters at Wyoming and Walnut Hills High Schools. This year the Hughes Chapter has thirteen members, one senior, eight juniors, and four sophomores.

The fraternity name Delta Beta means much to her members. The boys strive to develop character and a fraternal spirit, and to exert a wholesome influence in school and community life. Thus, the Delta Betas acquire a feeling of true brotherhood, which is the purpose of the fraternity.

Triginta Optimi, which means "Thirty of the Best", was founded at old Hughes in April of 1895. T.O. is different from all other fraternities at school because it is not a Greek letter society but of a Latin derivation.

The objects of T.O. have been to create and maintain a democratic high school fraternity and to advance athletics in all fields.

Since its organization in 1895, there has always been an active chapter in Cincinnati. In the later forties, Triginta Optimi was temporarily disbanded but was organized at Hughes in 1954 with eight charter members. In only two years, this number has been more than tripled as the present membership is twenty-five.

Tri Chi

Originally an athletic club at Withrow High School, Tri Chi was organized at Hughes in 1946. The two Greek letters, Tri Chi, stand for three openings to a better, more successful life through Character, Comradeship, and Citizenship. The members of Tri Chi constantly strive to meet the high ideals and morals that the club's previous members have established.

Tri Chi tries to present a religious side to fraternity life by an impressive ceremony of formal initiation and a prayer at the start of each meeting.

Tri Chi's social activities including dances, picnics, and other events strengthens the friendship of its members and their loyalty to their organization. Tri Chi makes various contributions to charitable organizations and needy families and undertakes at least one community project annually.

Chi Delta Beta

Alpha Beta Chi is the youngest local sorority. It was organized by a few girls from Withrow in the month of May of 1951. It has gained great popularity because of the honest and sincere workers in it. This club sponsors many activities such as an annual fashion show, annual dance, slumber parties, skating parties, Mothers and Daughters' tea, picnics, and lawn parties. There are also the community projects undertaken. An innovation this year was a sewing party.

With the activities already mentioned and with clean honest fun, Alpha Beta Chi hopes to prepare the young girl of today to be a better woman of tomorrow.

One of the smallest sororities, Chi Delta Beta is already steeped in tradition. The social club was formed about four years ago, when its senior members were only freshmen.

Yearly the members produce and direct a variety show for the shut-ins at Hamilton County Home. They give candy and fruit to the Allen House and the children's home at Christmas. Every Thanksgiving the girls donate a basket to some needy family.

The sorority sponsors several date parties, one informal and one formal dance annually. Yearly, beginning this year, the club plans to have a Spring Formal at the Wigwam Restaurant in Hartwell.

The girls of this group have pledged to uphold the high ideals of their organization.

Delta Chi Delta sorority began in 1924 at Hughes High School through the efforts of a group of girls with high ideals of truth and honesty, loyalty, and friendship. Today with an increased membership the Delts practice the same ideals through such projects as caroling at the County Home, distributing Muscular Dystrophy cannisters, and donating to the fund for Thanksgiving baskets.

The sorority's colors, black and gold, and pin of twenty-four pearls can be recognized at all the events in which the members participate. Highlights of the year have been the fall dance, Christmas formal, bake sale, initiating new members, hayride, and Mother and Daughter Tea. In conducting these events, the Delts plan the pattern for their future.

"Lift Every Girl To Her Best" is the theme of Ivyettes. Their purpose is to encourage girls planning for higher education, to stimulate interest groups, to help girls in leadership, development, and community participation and use of leisure time.

In the Spring of 1945, Ivyette Sorority was founded by two sorors of Omicron and Sigma Omega Chapters of Alpha Kappa Alpha Sorority in the home of the Soror of Sigma Omega, the graduate chapter of A.K.A., who are Ivyette sponsors.

Ivyettes, not a chapter sorority, is composed of 28 girls from Walnut Hills, Withrow, Old Woodward, and Hughes. The two biggest projects of the year are adopting a needy family and the annual Variety Show and Dance. Green and gold are sorority colors.

Left to Right: Gwen Bell, Claudia Neloms, Penny White, Noddie Felder, Barbara Reid, Elizabeth Davis, Sylvia Wallace, Terry Pinder, president.

Delta Kytyves

Although trends of the past era differ to some extent from those of today, the girls in Delta Kytyves will always know and remember the thrill of pledging, the happiness and tears at Formal Initiation, and warm matchless companionship of their sorority sisters.

In October, 1932 a small group of girls struggled to achieve success. Slowly the name of Kytyves began to climb the ladder of esteem, until back in 1935, it stood side by side with sororities of background and long standing.

An important phase of sorority life is to bring joy into the lives of others. Kytyves members donate baskets at Thanksgiving, drives for the less fortunate, and parties for the children at the Convalescent Home.

Their enjoyment of vacation at LeSourdsville, semi-formal, and spring dance will linger long in the memories of the Delta Kytyves.

Hepta Beta

Hepta Beta Sorority has the honor of being one of the oldest high school social clubs of its type. The club was orginally founded by seven girls from Detroit, Michigan, and was known as the Alpha Chapter. The club was named after its pin, which is in the shape of a gold heptagon on which is mounted a silver crest. Each of its seven founders is represented by a pearl on the outer edge of the pin.

Every year Hepta is active in many worthwhile activities such as helping deserving organizations with donations from the treasury as well as time and talents.

During the year, the Heptas participate in dances, date parties, hayrides, and many other entertainments. The club colors are baby blue and white.

Along with having good times, each Hepta Beta girl is making new friends and making her high school years the best of her life.

The Beta chapter of Phi Epsilon Phi sorority was founded in 1950, at Hughes High School. The Alpha capter orginated at Norwood High School.

Barbara Angel was elected the first president of the group, with a membership of five. These young girls worked to increase the membership of the sorority, and did so by initiating girls from Our Lady of Angels High School, as well as from Hughes.

Each year the members of "P.E.P." take great pride in helping some less fortunate persons. They usually aid a group which is forgotten by other charitable donations. In addition, the girls join the Interfratority Council in carolling and in the collection of donations for the Muscular Dystrophy Association.

Sigma Delta Chi

The Alpha chapter of Sigma Delta Chi was founded at Withrow High School in 1930 and brought to the Clifton Palace in 1933.

The Sigmas take pride in making stuffed animals and other clever objects for the grateful children at the Emanuel Day Nursery. This annual project takes place during the Easter vacation. Each girl taking part finds herself attaining the club's motto of Honor, Friends, and Loyalty.

Among their social functions, the Sigma's enjoy dances, parties and participating in deeds for charitable organizations. Memories of friendship and loyalty to their organization will last long in the future of the Sigma's.

Four lustrous pearls set proudly upon a gleaming onyx background signify the girls who founded Phi Sigma Delta sorority at Walnut Hills many decades ago. In 1950, the Hughes chapter broke away to become independent, thus allowing vacancies for new members. The constitution was then rewritten to limit the number of eligible rushees to be pledged.

Their annual "Mr. Popularity" dance has thus far been a huge success in building up the treasury and in providing a friendly competitive spirit in other sororities.

Blue and gold beanies along with matching emblemed sweat shirts are worn regularly by active Phi Sig members. Still another aspect of Phi Sigma Delta's specialness is the tradition of giving jewelry to the graduating class.

T.I.D. (Those Inclined Delta) was the original name of what is now known as Tau Nu Tau. The sorority was organized by a college group, Delta Sigma Theta, in the hope that the high school members would follow in the footsteps of their adult sponsors.

In the past years Tau Nu Tau has participated in the annual Jabberwock, a musical show, presented by their sponsors. Other activities consist of the Sweetheart Ball, Fashion Show, and Sports Spree. Another feature of the yearly program is the Mother-Daughter Tea, which enables the mothers to become better acquainted.

Tau Nu Tau has been fortunate in having many graduating members receive scholarships from Delta Sigma Theta.

Tausia

Tausia tries to cultivate and promote a higher standard of social and educational friendship among all classes of girls. Tau Sigma Chi, with this ideal in mind, became an organization in the spring of 1927. Its originators set as requirements for membership the following attributes: honesty, integrity, and friendliness, with no discrimination as to race, religion, or economic background.

Again this year, as in previous years, the girls decided to devote some time and efforts to the making of a complete layette for a neglected infant. The letter of appreciation the girls received from the parents of the child helped them to realize more fully that "it is more blessed to give than to receive."

Amid busy high school activities the girls take time out for their formals, date parties, and other such recreations. To top things off they put their best foot forward during rushing season and receive their new members with sincerest joy.

With a diploma serving as their Key, the seniors are leaving Hughes to unlock the doors of life. The underclassmen, with their dreams, ideals, and ambitions, are walking the corridors. Through their experiences, sometimes bitter lessons, they are opening the doors both to responsibility and privilege, with real and intangible rewards.

'May her strength remain for aye,
Our Hughes,
Though in time her walls decay,
Our Hughes.
Oh Phoenix-like she'll rise,
Till her towers strike the skies,
And her sunset banner flies—
Hughes, Hughes, Hughes.'

Helen,

Well, gads, umm – we've really been good friends and I've enjoyed every minute of it! Don't ever forget the night of the Prom – I won't! Riding is such fun – know what I mean? Dick's a swell guy – stay with him always! He's wonderful! I never be able to thank him for what he did for Tim and me!

Thanks ever so much for all your advice and for letting me stay all night the night of the Prom! The party before that was swell! Ho, ho! Gads, what a night!

I'll see you in the sky – I'm an airplane – I'm an airplane that is! Tim got my feet on the ground! That was a crazy day – Too bad you didn't go up! Tim was such a doll! Oh well, c'est-la-vie. There's other fish in the sea and I've been looking one over! Guess who? Well, I'll sign off. Be good. Love

= T.E.K.
